REGIONAL NEWS

...AND TO ALL OUR FESTIVAL FLEURIEU FRIENDS

WELCOME

On behalf of the Board and our Festival Producer, welcome to Festival Fleurieu 2021! Our community-based Festival celebrates the diverse cultures of the Fleurieu coast, with a number of free, family-friendly events alongside art, music, literature and food and wine events.

We are delighted to have events across the entire region over the fortnight of festivities. This Festival we have really worked very hard to engage young people in the program and we are excited to showcase a number of events in the program that have been planned by young people themselves.

It has been a great privilege to work with such a passionate and committed Board and a variety of key stakeholders across the region. The dedication and hard work of our volunteers make the Festival possible. I thank them for their unwavering support. A huge thanks also to our Producer, Jude Adams, who has worked tirelessly since her engagement in the role. Pulling this program together has indeed been a team effort.

Festival Fleurieu would not be possible without the generous support of our major funders and partners, listed opposite. I gratefully acknowledge their support. In particular, I would like to highlight the sponsorship by the District Council of Yankalilla and thank them for their generous, ongoing support of the Festival since its inception in 2003. I also acknowledge the funding from Carclew and Festivals Australia, allowing us to showcase some wonderful events.

The two weeks of the Festival in April provide us all with a terrific opportunity to delight in a rich program of events set against the backdrop of the beautiful Fleurieu peninsula.
I hope you have a wonderful Festival.
