

VISION

A thriving South Australia where leaders shape positive change

PURPOSE

Developing curious, bold leaders who drive positive change for a better South Australia

VALUES

- Curiosity
- Courage
- Collaboration

AMBITIONS

What we will achieve by 2030

- 1 Strengthen & diversify our leadership program portfolio**

Growing the GLF and building a scaffold of complementary programs that serve leaders at every stage, with greater reach across metropolitan and regional SA
- 2 Shape South Australia's leadership culture**

Becoming the recognised authority on leadership in SA - contributing research, ideas, and public dialogue that influence how our state develops its leaders
- 3 Activate our alumni & partner ecosystem**

Turning our growing network of 1,000+ alumni into an active community of mentors, advocates, and contributors to collective impact
- 4 Secure long-term sustainability**

Building a diversified, resilient funding base - including a \$1m+ Leadership Fund - so we can innovate, expand access, and grow for the long term
- 5 Amplify community & societal impact**

Equipping diverse leaders to address SA's complex social, economic and environmental challenges, and demonstrating our measurable contribution to the state

FOCUS

Where we will direct our effort

01	02	03	04	05
Leadership Program Excellence & Growth	Thought Leadership & Advocacy	Alumni & Supporter Engagement	Philanthropy & Partnerships	Community & Societal Impact
Deliver outstanding, relevant leadership programs – from flagship public offerings to tailored partnerships – that meet emerging needs and drive sustainable revenue	Position the Institute as a South Australian leadership authority by generating evidence, insights, and public discourse on leadership	Strengthen connections, visibility, and engagement to amplify the collective impact of the Institute's community	Build a diversified, resilient financial model through philanthropy, grants, and partnerships that underpin program access and innovation	Deliver measurable public value through leadership that strengthens communities and drives systemic change

ENABLERS

The foundations we need to succeed

- Technology & Data**

Smarter systems, stronger data and automated processes
- Strong Brand & Voice**

Clear, credible identity as SA's leadership authority
- People & Capability**

Values-led team with flexible staffing and strong facilitators
- Financial Sustainability**

Diversified revenue — programs, philanthropy and grants
- Governance & Partnerships**

Robust governance and deep collaboration across sectors
