*Terms & Conditions:

New Wave Air Conditioning pricing represents “Pricing From” as a standard installation. Non-standard installation pricing will be based on your individual installation requirements and will need to be quoted separately by our Sales Team. Pricing does not represent new builds or replacement installations. All pricing is for all installations within 20km from our Campbelltown office, other areas to be quoted.

Wall Split Air Conditioner Installation

- Single story (lowset) home with back to back installation, maximum of 3m pipe run.
- Outdoor unit mounted on the ground.
- Power run up to 15m.

Ducted Air Conditioner Installation

- Pricing includes an existing single story (lowset) home, adequate ceiling access.
- Outdoor unit mounted on the ground.
- Power run up to 15m.

IZONE SMART HOME

A SMART HOME WITH A DIFFERENCE

Turns any ducted air conditioner into a smart home

- Control your home's air conditioning, lighting, irrigation, garage door, roller blinds and appliances with iZone precision, even when you're out.
- Monitor your home and make it as secure, energy-efficient, waterwise and economical as it can be.
- Integrate all your favourite lifestyle and entertainment apps – Google Home, Amazon Alexa, Apple Home Kit (Siri), IFTTT, Sonos*, Samsung SmartThings, and Spotify* – for a seamless, voice-controlled smart home experience your whole family can enjoy.
- Your iZone Smart Air Conditioning and Smart Home system can do it all.
- Wirelessly. Seamlessly. Intuitively. It will even pay for itself before you know it.
