

SOUTH AUSTRALIAN SMALL BATCH WINES.
PRODUCED LOCALLY, INSPIRED GLOBALLY.

2020 Clare Valley Riesling

Region | Clare Valley

Vintage | 2020

Winemaker | Alister McMichael

Single Vineyard | Yes

Season | Throughout the 2019 winter there were very few rain events leaving the soil moisture extremely dry. There were a few high wind events that disrupted flowering, causing lower yields throughout the valley. The rest of the growing period was actually quite mild which is perfect for the likes of Riesling. The fruit was able to retain its natural acidity as the mild climate drew out the ripening period.

Vinification | Six hour cold soak. Destemmed to press. Light long three press cycle to tank. Very cold and long ferment, between 12-5 degrees for about a month. Left to age on light lees for six months. Fined using PVPP, filtered and then bottled in September 2020.

Style | The wine is fresh and crisp but has a moreish appeal on the finish, which keeps you going back to the glass!

Nose | Chamomile, mandarin peel and citrus zest.

Palate | Focused central acid line with waves of flavour coating the side palate. Lemon, lime citrus with a slight. The finish is dry and crisp yet echoes bold flavour. This wine packs a lot into one glass but does not over power. Best to be served fresh with seafood.

Alcohol | 12.0%

Drink | Drink now or cellar for 10 years.

Vegan | Yes
