COVER ART

Josie Grootenboer, Subconscious emotions. Sculpture.

Art, human feelings and emotions are concepts that go hand in hand. Artworks have always transmitted and generated various emotions. My body of work, *Subconscious emotions*, is an abstract representation of a scale of emotions. It explores how emotions control our subconscious mind. The inspiration for *Subconscious emotions* came about by surveying a range of participants and asking them to choose and make a decision based upon an abstract grid and to rank their emotions. Each sculpture is shaped by the emotions control over their subconscious decisions. Notice how each form is different. I invite you to self reflect and take the time to decipher the emotion you are currently feeling. Which work do you resonate with most and why?

General Information

ATTENDANCE

Whole Day Absences

Your parents should notify the school if you were absent by one of the following methods:

- Recording the reason through the Edumate Parent Portal after 5:00pm; or
- Recording the reason through the NAC App after 5:00pm; or
- Providing an email to attendance@nac.nsw.edu.au

It is a NSW legislation requirement that all absences are explained in writing within seven days; this includes weekends and school holidays. If your absence is unexplained after seven days, the absence will be listed on your school report as unexplained. Parents will be notified via SMS and email if you are absent.

Late Arrival

The school day commences at 8:45am (Welcome assembly).

Students who arrive after 8:45am are considered late. Junior School students who arrive late must be accompanied by their parent/carer to School Services to sign in. Your parent/carer will be notified via email if you had a partial absence, i.e. late arrival, without written explanation.

Exceptions to this will include any instance when there has been a confirmed public transport issue.

Leaving Early

A student who needs to leave school early must present a note signed by their parent/carer to School Services, or email attendance@nac.nsw.edu.au before 8:30am.

Students report to the School Services office and wait for their parent/carer to pick them up before they leave the school grounds. Students leaving early should not depart after 2:45pm.

Application for Extended Leave

(Holidays outside school holidays)

If you are going to be away from school for an extended time of three days or more, due to family commitments, overseas travel, or holidays outside of scheduled school holiday times, parents should complete an *Extended Travel Leave Application* form at least two school term weeks in advance. This form can be found on the Parent/Carer page of the College website. This absence will be included in the 'Total Days Absent' on your school report.

Exemption from Attendance

There may be times when you may be away from school for an extended time due to long-term illness, participation in an elite sporting event or elite arts program, or employment in the entertainment industry.

On these occasions, parents/carers should complete a **School Attendance Exemption** form at least two school term weeks in advance. This form can be found on the Parent/Carer page of the College website.

If the exemption from attendance is granted, this absence will not be included in the 'Total Days Absent' on your school report. Both the Extended Travel Leave Application and School Attendance Exemption forms ask the School Principal for permission for you to be absent for an extended time. NOTE: students taking leave during term time will not be provided work while they are away. Class teachers can provide age-appropriate suggestions of educational opportunities.

CAFFEINATED BEVERAGES AND SOFT DRINK

Water is our preferred drink. Water in clear bottles may be consumed in lessons and during examinations. No other drinks will be permitted in class, except for medical reasons. Students are not permitted to bring energy drinks or sugary soft drinks into school. Students with these drinks at school will have them confiscated and disposed of by staff. For further information see the 'Caffeinated Beverages and Soft Drink Policy'.

CAMPS AND EXCURSIONS

Annual camps are held for students from Year 3 upwards. The camps provide great opportunities to develop relationships among your fellow students as well as to further explore faith issues.

It is compulsory for all students at the College to attend camp.

Students in Year 4 have a two day / onenight camp. Students in Years 5 and 6 have a three-day / two-night camp.

All Junior School camp programs are delivered at a Youthworks venue, by qualified outdoor education instructors.

CANTEEN

The school canteen is staffed by the school and parent volunteers. We have a healthy-food policy and the canteen is open for breakfast, lunch and afternoon tea every day, providing a variety of nutritious foods. All lunch orders are processed online through Flexischools which is accessible through the NAC website or Flexischools App.

Orders can be placed in advance with Flexischools but must be submitted before 9:00am on the day of the order.

CHAPEL

As a Christian school in the Anglican tradition, we see coming together to learn from God's Word, praying and singing to God, as an important and vital part of each week. As such, hold a Chapel service for each stage, every week during term time. We also hold special Junior School Chapel services at significant times of the year or for significant events. Students assist with aspects of this service, including reading the Bible, praying and leading the Chapel music.

CHRISTIAN GROUPS

CRU groups (Years 3-6) and **Club 56** (Years 5-6) groups run each week to dig deeper into God's Word and encourage each other to live following Jesus.

COMMUNICATION

Communication with parents of Junior School students about day-to-day matters is usually through the Seesaw App and/or phone calls. Communication regarding events for Junior School students will be via email.

Newsletter

NAC News is emailed to parents and all students during term time. This is a vital means of communication containing important updates and information as well as upcoming calendar dates and news. Student contributions to the newsletter are always welcome. Send your article to newsletter@nac.nsw.edu.au for inclusion.

Social Media

We encourage parents to follow our Nowra Anglican College pages:

facebook.com/nowraanglicancollege
instagram.com/nowraanglicancollege
linkedin.com/school/nowra-anglican-college

COUNSELLING

As part of the Pastoral Care Team, our dedicated School Psychologists work to provide excellent support for students on a daily basis. The School Psychologists provide a caring, supporting, respectful, and professional service to students who may need additional support, and assist in creating and maintaining a safe and supportive environment for them. Referrals for counselling can be made directly to the School Counsellors via email counsellor@sras.nsw.edu.au.

CRUNCH AND SIP

Crunch and Sip usually occurs in the classroom between 9:30am and 10:00am. This snack is designed to bridge the gap between breakfast and lunch. It is not a separate break and is not intended to interrupt lesson time. Only fresh fruit or vegetables are permitted. Ask mum and dad for fruit or veggies that are bite-sized and preferably not messy. For example: grapes, apple pieces, berries, carrot sticks, celery sticks and capsicum pieces.

Children are encouraged to have a bottle of water (not juice or other sugary drinks) on their desks during the day.

CYBER-SAFETY

While we want you to take advantage of the best technology has to offer, we also want to provide protection against the dangers and undesirable behaviour associated with being online.

NAC uses industry-grade network security measures to prevent access to undesirable websites and social media when students are using the school's WiFi network.

What is expected of students?

Our school has very clear guidelines and policies outlined in the *Information Communication Technology Policy*.

Students are expected to comply with these rules and participate in the school's cyber-safety and digital citizenship programs. NAC is committed to helping you achieve positive wellbeing and educational outcomes.

EMERGENCY PROCEDURES

Evacuation

To evacuate the Main campus, the bell system will sound continuously in all buildings.

Responding to a continuous bell:

- Cease work.
- Close all windows and doors.
- Prepare to leave your bags and other belongings behind but collect any personal medication to carry with you (eg. an asthma ventilator).
- Your supervising teacher will review the emergency evacuation map located in each room for your classes designated assembly area in Apex Park.
- Your teacher will then escort you in an orderly fashion to the assembly area via the most direct and safe route as indicated on the evacuation route map.
- At Apex Park sit in your class lines, as indicated, and your classroom teacher will mark the roll and account for any student absences.
- Return to the buildings only when instructed to do so by the Principal or person running the evacuation.

Lockdown

Responding to an alarm:

 All staff, students, visitors and guests must remain in classrooms or offices.
 The classroom door must be closed and if possible locked. Close windows, blinds and shutters and turn lights off. Mobile phones should not be used and should be turned off. Stay calm, quiet and away from doors and windows.

- Anyone who is using the toilet should remain where they are and lock the toilet door.
- If out of class, students should move to the closest classroom or safe area and follow the above procedure.
- When the deactivation signal is made, wait for specific instructions from the Principal or emergency services.

FIRST AID, ILLNESS AND MEDICATIONS

The staff at NAC take the responsibility for our student's health and wellbeing very seriously. Working in partnership with parents and/or carers helps us to ensure our students are cared for in the best possible way.

The School Services Staff are responsible for sickbay, administering medication, and first aid. If you present to School Services, it will be at their discretion as to what action to take. This includes, but is not limited to, first aid, rest or time out.

If you become ill while at school, please speak with your classroom teacher, or if during a break, the duty teacher. You will be granted permission to attend School Services who will provide support.

NOTE: Students are not to contact their parents and/or carer via email or phone themselves to come and collect them under any circumstance.

Students who are not well should not attend school.

The parents/carers of any student who receives regular medication for ongoing health management need to inform the school by filling out the **Prescription**Medication Form and returning to School Services to ensure continuing duty of care.

Students who have allergies, Anaphylaxis or Asthma are required to submit an up-to-date doctor-signed **Medical Management Plan** each school year.

It is the responsibility of parents and/ or carers to provide accurate and up-todate medical information. Information regarding medication is required at the beginning of each year.

IMMUNISATION AND SCREENINGS

Schools are required to have a student's immunisation status on file. This is generally provided when enrolling at the College. Students who are not vaccinated can still be enrolled at the College but can be excluded from school at the direction of a Public Health Officer for the duration of an outbreak of a vaccine-preventable disease in the school. If an unimmunised student comes into contact with a vaccine-preventable disease outside school, they may also be asked to stay home during the incubation period to reduce the risk of starting an outbreak within the College community.

An approved Immunisation Certificate can be requested online by going to www.servicesaustralia.gov.au/individuals/services/medicare/australian-immunisation-register/how-get-immunisation-history-statement

and using your MyGov account.

Please provide a copy of this certificate to School Services where it will be uploaded and the details recorded against your student record.

HOME LEARNING

Home learning is vital to equip students to be effective independent learners, as well as to consolidate knowledge learned in school time. Students need to practice study skills, learn how to manage their time and ensure that revision becomes habitual rather than incidental.

Home learning is especially valuable for practicing and cementing previously learned skills.

Home learning helps students learn how to prioritise tasks, problem solve and take responsibility for their own learning. It is also an important way for parents to be part of the learning process and to emphasise and value that learning is an ongoing endeavour.

A regular program of home learning is essential for all students. Junior School students are encouraged to work independently to ensure that they cover all work set for them.

Home learning in Junior School primarily focuses on home reading, literacy and mathematics. Each classroom teacher will outline their expectations at the start of the year.

NOTE: Students in Junior School will not be expected to do home learning other than reading novels, during holiday times.

STUDENT WELLBEING TIME

Nowra Anglican College's strong student wellbeing program means that each student's personal and academic progress is monitored.

In Thrive time, students will undertake learning based around the five key competency areas of social and emotional learning; Self-Awareness, Self-Management, Responsible Decision Making, Relationship Skills and Social Awareness. During this time students will work collaboratively to undertake evidence based learning that will provide them with skills to successfully navigate the real-world challenges they may face.

HOUSE SYSTEM

The College Houses are named after Anglican Ministers who served in the Parish of Nowra since its inception in 1833. The Houses are Best, Hargrave, Procter and Trickett.

All students in the Junior School belong to a house. Staff members also belong to a house. The house system within the College does not just serve a sporting purpose. It also serves as the basis of the pastoral support system within the College.

House Colours

Best blue and white
Hargrave red and white
Procter yellow and black
Trickett green and white

LIBRARY

The NAC Library is a vibrant and busy space that supports students' reading, study, social and overall learning needs.

Library Hours

Monday	8:00am - 4:00pm
Tuesday	8:00am - 4:00pm
Wednesday	8:00am - 4:00pm
Thursday	8:00am - 4:00pm
Friday	8:00am - 3:30pm

Students have access to a wide variety of both physical and digital resources in the Library or at home. Most items can be borrowed. Borrowing restrictions may vary, depending on the demand for particular resources.

The Library manages the acquisition of physical resources, databases, access to eTextbooks, the schools' eBook collection (multiple providers) and our digital video collection through ClickView.

MOBILE PHONES AND PORTABLE MEDIA DEVICES

The use of mobile phones or smart watches for communication on school premises or on school activities is banned. Incorrect use of these devices will result in you being asked to hand the device into School Services. The device can be collected at the end of the day.

Junior School students may use a mobile phone after school, with the express purpose of contacting parents or carers, and only if they have been granted permission by a teacher on duty.

If you wish to bring a mobile phone to school, you should store it in your school bag.

The College will not accept responsibility for the loss or damage of any electronic equipment brought to school.

Students wishing to make a private call during school hours may only do so in cases of emergency and in this case, you should go to School Services and give your reasons to the office staff who will give you access to a phone. You are not to use your personal mobile to do this.

NUT AWARE SCHOOL

Given the number of food allergies, it is not possible to remove all allergens from our community. However, **NAC** is a **Nut Aware School**, understanding the risks associated with allergies and implementing practical, age-appropriate strategies to minimise exposure to known allergens particularly peanuts and tree nuts. This includes removing nut spreads and products containing nuts from the school canteen but does not include removing products that 'may contain traces' of peanuts or tree nuts.

In order to ensure that NAC is a safe and healthy environment for all of our students, we seek your support in the following ways:

- Do not bring peanut butter/nut products or anything containing nuts to school.
- Wash your hands with soap and water both before and after eating.
- Do not swap, or share your lunch or recess with other students.

REPORTS

Formal Reports are issued twice each year.

SCHOOL OCCASIONS

Our College runs and facilitates a large number of events throughout the year and it is essential that you attend these. All students must attend Foundation Day, Chapel, Assemblies, Swimming Carnivals, School Photo Day, Cross Country, School Camps, Athletics Carnivals, Presentation Day and subject-specific excursions/incursions.

STUDENT LEADERS

At NAC we believe that every student has the capacity to become a leader. By helping you grow in your leadership capacity we seek to build your competence, confidence, character and connectedness to others.

- Leadership is about serving others.
 Some students are natural leaders who love helping others, serving them as Christ served us by giving His life so that we might be saved.
- Leaders are authentic, they are confident in who they are and don't try to be someone other than themselves.

- Leadership is an action. It requires considered thought, awareness of self, the skills and behaviours required to achieve success, interpersonal connection and the confidence to put these things into action.
- Leaders require a 'Growth Mindset'.
 Goal setting and reflection tap into your ability to develop and sustain this Growth Mindset as well as develop the metacognitive tools to achieve success.

LEADERSHIP POSITIONS

Junior School Captains and Vice Captains

Junior School Captains and Vice Captains are elected representatives of NAC from Year 6. They have responsibilities for maintaining the high spiritual and behavioural standards of the College. They should be given the respect they deserve and any instructions they give should be observed promptly.

Junior School Leadership Team

The student body of each House elects Year 6 House Officials every year. They are responsible for assisting with the organisation and implementation of numerous events throughout the year.

Student Code of Behaviour

Nowra Anglican College is a respectful community grounded in Christ's compassion, learning to live with wisdom. We expect our students to align their behaviour with the school values of **Respect | Compassion | Wisdom**. This is expected in all aspects of their lives, when at school or out in public, in person or online.

RESPECT

Honouring and showing regard for others, yourself and God. All students at the College have the right to receive respect and are expected to respect others:

STUDENT RIGHTS	STUDENT RESPONSIBILITIES

	Look after the college environment
	Choose behaviours that reflect well on self and maintain the College's good reputation.

COMPASSION

Showing love, concern and awareness for others and yourself informed by Christ's example. All students at the College have the right to receive compassion and are expected to show compassion to others:

STUDENT RIGHTS	STUDENT RESPONSIBILITIES
Seek reconciliation and renewal	Display empathy and understanding to others
Feel welcomed and included at the College	Actively ensure others feel welcomed and included

WISDOM

Using knowledge and experiences to inform your choices for the betterment of yourself and others, in line with God's word. All students at the College are encouraged to make wise choices for themselves or others.

STUDENT RIGHTS	STUDENT RESPONSIBILITIES
Learn and not be deprived of this right and opportunity by the behaviour of others	Be organised, prepared and willing to learn
	Be in the right place at the right time
Enjoy a healthy environment	Create a safe and healthy environment for others
	Act in a safe and considerate manner
	Not be in possession of, or use, cigarettes or other illegal substances, including drugs and alcohol

BREACHING THE STUDENT CODE OF BEHAVIOUR

Breaching the Student Code of Behaviour may result in consequences at the discretion of the teacher such as the loss of privileges. Serious breaches and/or repeated breaches may lead to a behaviour card.

TEACHER'S ROLE	STUDENT'S ROLE
Reward positive behaviour upholding College values	Participate in the College awards system
Remind the student of the importance of College values	Reflect upon his/her actions and give an apology as appropriate
Student informed of their breach of the Code of Behaviour and its consequences in line with the NAC discipline Levels	Accept responsibility and consequences, including the discipline card system

EXPECTATIONS AND RESPONSIBILITIES OF STUDENTS

Student's are expected to uphold our values of **Respect | Compassion | Wisdom** in all aspects of their lives – at school, out in public, in person or online. Students are therefore required to acknowledge and accept the following responsibilities:

Respect

Open-minded attitude to Christianity and respect for the Christian basis of the College.

Respects their teachers and fellow students by:

- using technology in an appropriate and responsible manner. See Information Technology: Student Computer Use Policy
- keeping mobile phones in their lockers/ bags and not used within the school day

All students are responsible for maintaining litter-free school grounds and classrooms.

Take care with the belongings of others including College property.

Be punctual, lining up to enter and exit the classrooms quietly

All students are to stay within the set boundaries at recess and lunchtime. Driveways and parking areas are out of bounds.

Acceptance of the rules for use of the Library and Senior Study area.

Students arriving late must report to School Services to sign on (includes before school lessons). Honesty of opinion and an acknowledgement of the opinions of others.

On transport, students are courteous to and considerate of others travelling in public. Students and their parents are expected to read and agree to the Bus Travel Code of Conduct.

Students use language that reflects well on themselves and the College.

Compassion

Willingness to show concern for others by showing courtesy, kindness and giving assistance.

Adherence to the fundamental rights, rules and procedures that promote honesty, equity and respect for the integrity of their own learning and the learning of others.

Relates well to their teachers and fellow students by:

- · being polite and courteous,
- · engaging with others constructively,
- allowing everyone to learn.

Respect the personal space of others, and maintain a 'hands off' approach when interacting with others.

Walk respectfully around the College campus providing space to others.

Wisdom

Always try to continually learn and improve, setting a high personal standard when completing class work. Reflectiveness Plans so that they arrive prepared for class by:

- · being punctual,
- · bringing a positive attitude,
- · bringing the correct equipment and
- · completing all set home learning

Commitment to a regular study program (home study/ revision)

Perseverance, absorption noticing and managing distractions in class.

Willingness to seek help from Teachers, Heads of Department, Year Coordinators. Commitment to principles of good scholarship, academic honesty and ethical practices.

Acceptance of the Code of Behaviour, including rules regarding uniform, grooming and conduct within and outside of the College.

Attend all chapel services and assemblies.

- Be punctual and enter and exit quietly
- Participate as an audience member appropriately.
- Stand and sit without talking.

Keep school bags in lockers (Senior School) or on hooks/locations provided during the school day. Lockers should only be used before and after school and at the beginning and end of recess and lunch. They must be kept securely locked at all times.

Extra-Curricular Responsibilities

Willingness to be involved and participate in the broader life of the school including sporting and cultural activities. The College expects students to be involved in at least one co-curricular or extracurricular activity per term.

NOTE: Increasingly, selection into tertiary education considers factors additional to, or in lieu of, the ATAR. Tertiary providers are looking for 'all round' individuals whose interests and other abilities add to their HSC results. This is particularly the case when applying for early entry schemes.

CONSEQUENCE FOR UPHOLDING COLLEGE EXPECTATIONS

Nowra Anglican College is committed to teaching students to display these positive behaviours. As such we seek to recognise and award students who uphold the College values of **Respect | Compassion** | **Wisdom** both in their behaviour within and outside of the classroom and in their learning. All staff are encouraged to recognise students who uphold these values and give merit awards for:

Respect

- · Collaborates well with peers
- Uniform perfect
- Represents the College positively during outside commitments
- Demonstrates respect to staff/students
- Consistently behaves in accordance to the Student Code of Behaviour
- · Demonstrates service to others

Compassion

- Displays listening and empathy towards others
- Shows compassion/kindness to others
- Displays consideration to others
- Behaves in a safe manner and encourages others to do likewise

Wisdom

- Demonstrates application to learning
- · Takes control of their own learning
- Displays imitation, interdependence and an ability to learn from and with others
- · Perseveres and takes risks when learning
- Commitment to planning/revision
- Demonstrates consolidation and distillation of information
- Manages distractions as they arise
- Makes links between learning concepts

Rewards

Students are encouraged to uphold the College values through different means. Some ways include:

- the College's Merit System 'Light of the Cross'
- class or year group incentives e.g. special afternoons
- individual or group recognition e.g. special celebratory lunches, celebratory events

The structure of the College's Award Program is outlined in the *Awards Procedure*.

CONSEQUENCE FOR BREACHING COLLEGE EXPECTATIONS

When the Code of Behaviour is breached, Nowra Anglican College is committed to:

- developing students' understanding that there are consequences for actions.
- providing the opportunity for students to learn from errors and improve.
- supporting students to make better choices about their behaviour in the future.
- developing students' self-discipline.

Details outlining the nature of disciplinary actions in response to various behaviours are provided in the Disciplinary Actions - Senior School and Disciplinary Actions - Junior School Procedures.

All consequences are subject to the determination of the Principal. Nowra Anglican College does not allow corporal punishment by any member of the college community to enforce discipline at the College. Nowra Anglican College does not consent to parents using physical punishment on our behalf.

Making Amends

Where possible, the nature and content of the consequence will focus on reflective and restorative practice in order to restore relationships. This involves:

Restitution: apologising and trying to remedy what has happened.

Resolution: developing a plan to prevent the same behaviour happening again.

Reconciliation: finding a way to heal the hurt, this may involve sanctions put in place by the College.

The nature of the misdemeanor will determine how the restoration is served and will focus on assisting the student to make better behaviour choices and develop self-discipline in the future.

Acknowledging Students

COLLEGE VALUES

The College is committed to teaching students positive behaviours. As such we seek to recognise students who uphold the values of **Respect | Compassion | Wisdom** in and outside the classroom.

Students are acknowledged in different ways, including:

- The College Merit System i.e. Light of the Cross Awards
- Class or Year Group Incentives e.g. movie afternoons
- Individual or Group Recognition e.g. special celebratory lunches, celebratory events

- · Chewing gum
- · Misuse of Technology
- Non-compliance with the Code of Behaviour in travelling to and from school
- Non-compliance with the Bullying Policy
- Mobile phone sighted: two or three infringements issued in a term
- Uniform: three infringements issued in a term

FORMAL LUNCHTIME RESTORATION

Breach could include:

- Persistent or significant non-compliance with the expectations of behaviour in the classroom/playground
- Non-compliance with the Information Technology - Student Computer Use Policy
- Reckless behaviour (unintentional injury)
- Misuse of Technology significant or persistent
- Mobile phone sighted: 9 infringements/term
- Misuse of social media (minor)

- Persistent uniform infringements:
 9 infringements/term
- Persistent lateness to school: five or more late arrivals with or without explanation (not including appointments). They will meet daily with the Head of Junior School to support goal setting and the implementation of strategies for positive behaviour choices.
- Fractional truancy (on site, make up time missed – second offence, loss of privileges such as late start or early leave for 1 month and the implementation of strategies for positive behaviour choices.)
- Failure to report for a lunchtime restoration
- · Dishonesty e.g. forgery, lying

COMMITMENT CARDS

Where students are struggling to meet the behaviour expectations of Nowra Anglican College, a Commitment Card can be introduced. Students are generally placed on level cards for 1-2 weeks based on need and the discretion of the supervising staff member. Students failing to meet behavioural expectations or loss/damage of the card may result in further consequences in keeping with our code of conduct, extension of the card duration or escalation to a higher level card.

LEVEL	STAFF
Level 1 - Blue	Class Teacher
Level 2 - Green	Pastoral Care leader for the Stage
Level 3 - Yellow	Assistant HOJS / K-6 Wellbeing Coordinator
Level 4 - Orange	Head of Junior School

If a student is consistently demonstrating behaviours of concern in the playground, the student will be supported by restricting their areas of play and introducing a 'Playground Commitment Card'. This card will identify specific goals for safe interactions in the playground and must be signed by the duty teacher at each break.

SUSPENSION

As a guiding principle for suspensions, we consider Australian law and what would be considered illegal behaviour or activities.

NOTE: These principles apply to the behaviour of students at school, on the way to and from school and while away from the school site on school endorsed activities. They can also apply outside of school hours and off school premises where there is a clear and connection between the school and the conduct of students. For example, the use of social networking sites, mobile phones and/or other technology to threaten, bully or harass a member of the College community (student or staff).

Reasons for suspension could include:

- Persistent or serious non-compliance with the expectations of behaviour in the classroom/ playground
- Truancy (off site) fractional and whole day
- Fighting or physical abuse (intentional)
- Damage to school and personal property
- Verbal abuse towards other students or staff
- Serious misbehaviour in public
- Persistent or serious non-compliance with the Bullying or Information Technology - Student Computer Use Policy (including misuse of social media - major)
- Putting themselves/others at risk of significant harm
- Theft
- Bringing weapons to school
- Smoking including e-cigarettes and vaping in any form, when in uniform or at school events

- Possession, use or dealing in illicit drugs, alcohol, drug paraphernalia or smoking implements
- Serious criminal behaviour related to the school

NOTE: Any illegal substance/device found at school or a school event will be confiscated and destroyed after photographic evidence has been taken.

EXPULSION

On-going and persistent breaches of the Student Code of Behaviour and expectations of students inside and outside of the classroom.

NOTE: After serious breaches of the Student Code of Behaviour, off site events such as excursions, sport (internal and representative) will be reviewed in light of subsequent behaviour.

MAKING AMENDS

Where possible, the nature and content of the consequence will focus on reflective and restorative practice in order to restore relationships.

This involves:

- Restitution: apologising and trying to remedy what has happened
- Resolution: developing a plan to prevent the same behaviour from happening again
- Reconciliation: finding a way to heal the hurt, this may involve sanctions put in place by the College.

The nature of the misdemeanor will determine how the restoration is served and will focus on assisting the student to make better behaviour choices and develop self-discipline in the future.

Bullying

Nowra Anglichan College is a Safe and Supportive School. Teachers, students and parents are committed to the following ideals for all members of the NAC Community:

- Creating a safe and secure school where students are able to learn in a supportive and motivating environment which is free from harassment and violence.
- Treating each other according to our College Values of respect, compassion and wisdom.

Respect

Respecting the possessions and privacy of others

- Respecting ourselves and others by following the School's Code of Conduct/ Behaviour
- Considering how behaviour will impact others and modify behaviour accordingly
- Treating each other with compassion and equality

Compassion

- Striving for a sense of connection to each other and the school
- · Caring for each other at all times
- Using words and actions to encourage and build one another up

Wisdom

- Being accountable for our behaviour
- Acknowledging mistakes and learning from them
- Striving to be wise in our behaviour, by being authentic and seeking the truth

Nowra Anglican College strives to clearly articulate and acknowledge these ideals to the students and the wider NAC Community. This message is reinforced weekly in Chapel Services, in Year Meetings, in pastoral care programmes, in Christian Studies and PDHPE, in our classrooms, our professional development curriculum, through the newsletters and the College website. The school will investigate, clarify, articulate, and resolve issues that arise in the school when there has been a breach in the commitment to these ideals.

Bullying is not tolerated at Nowra Anglican College.

Behaviour such as bullying, relational aggression, sexual harassment, racism or violence is unacceptable behaviour and does not fit the ideals of the school.

WHAT IS BULLYING?

Definitions

Rude: Inadvertently saying or doing something that hurts someone else.

Mean: Purposefully saying or doing something to hurt someone once (or maybe twice).

Bullying: Repeated and intentional behaviour causing fear, distress, or harm towards another person that involves an imbalance of power. It can involve humiliation, domination, intimidation, victimisation and harassment.

Elements of Bullying

- Intentionally aggressive behaviour
- Repeated over time
- Involves an imbalance of power

All three elements MUST be present.

Students who bully, say or do something intentionally hurtful to others and keep doing it. They do so with no sense of regret or remorse, even when targets of bullying show or express their hurt or tell the bully/aggressor to stop.

Forms of Bullying

- Physical bullying which involves physical actions such as hitting, pushing, obstructing, or being used to hurt or intimidate someone. Damaging, stealing, or hiding personal belongings is also a form of physical bullying.
- Psychological bullying is when words or actions are used to cause psychological harm. Examples of psychological bullying include name-calling, teasing, or making fun of someone because of their actions, appearance, physical characteristics, or cultural background.
- Indirect bullying is when deliberate acts of exclusion or spreading of untrue stories are used to hurt or intimidate someone.
- Cyber bullying is the ongoing abuse of power to threaten or harm another person using technology. Cyber bullying can occur in chat rooms, on social networking sites, through emails, or on mobile phones.

Forms of non-physical bullying are also referred to as "relational aggression" – aggressive behaviour which is covert, subtle and socially sophisticated.

DEALING WITH BULLYING

Nowra Anglican College recognises its duty to students to provide a safe and positive learning environment where individual differences and diversity within the College are respected and accepted. Bullying is not tolerated at Nowra Anglican College. It is our policy that:

- Bullying be managed through a 'whole of College community' approach involving students, staff and parents/ carers;
- Bullying prevention strategies be implemented within the College on a continuous basis with a focus on teaching age appropriate skills and strategies to empower staff, students and parents/carers to recognise bullying and respond appropriately;
- Bullying response strategies are tailored to the circumstances of each incident;
- Staff establish positive role models emphasising our no-bullying culture; and
- Bullying prevention and intervention strategies are reviewed regularly against best practice.

PREVENTING BULLYING

The College is committed to undertaking the following steps to prevent bullying:

- Name the behaviour Educate students
 to recognise relational aggressive
 behaviours, thus removing the
 covertness of this type of behaviour
 among students. Ensure the students are
 made aware of the damaging impact
 of relational aggression. In this way we
 are encouraging accountability for the
 behaviour.
- Develop empathy Develop skills to help students resolve interpersonal difficulties.
- Teach assertiveness, problem solving and communication skills. Help

students to be more straightforward in resolving interpersonal difficulties.

- Provide positive role models Use older students/teachers/mentors who can demonstrate positive social skills to the students. Have these people be accessible to the students for advice/help.
- Develop strategies to examine feelings.
 Develop students' capacity to examine their negative feelings such as jealousy and anxiety. Encourage them to develop skills to manage these feelings so as not to hurt others.
- Teach strategies of forgiveness
 - the four promises of forgiveness:
 - "I will not dwell on this incident."
 - "I will not bring this incident up and use it against you."
 - "I will not talk to others about this incident."
 - "I will not allow this incident to stand between us or hinder our personal relationship."
- Build self-esteem Help students to find their unique, God-given gifts and talents.
- A zero tolerance approach to bullying. Students must learn that threatening to not be someone's friend anymore, sighing, eye rolling, and exclusion are not to be tolerated. Students must learn to recognise what appropriate interactions with others looks like. sounds like, feels like and conversely. what it doesn't. Placing students in headlocks, intentionally throwing objects including food, saying 'I was just pretending or 'jokes', is NOT funny when this is targeted at someone. Such behaviour is bullying. This social educational message begins from Preschool and is reinforced regularly.

 Development of a school-wide approach to dealing with bullying.

This includes: Professional Development, seminars for parents, school-wide promotion of the safe and supportive school message and positive behaviour messages, provision of lessons and information to students for awareness, and for skill development to prevent relational problems. Provide support and skill development for students involved in relational aggression situations.

RESPONDING TO BULLYING

In all circumstances the College:

- takes bullying incidents seriously;
- takes time to properly investigate the facts including discussing the incident with the target, the bully and any bystanders;
- takes time to understand the concerns of all individuals involved;
- maintains records of reported bullying incidents; and
- will escalate its response when dealing with persistent bullies and/ or severe incidents.

Bullying behaviours vary enormously in their extent and intent and, as a consequence, each incident needs to be dealt with on its facts. When dealing with bullying, age appropriate consequences will be applied. There are normally three parties involved in an act of bullying:

- **The Aggressor** (the Bully)
- The Bystander
- The Target

A child may be the bully/aggressor in one situation, but may be the target in another

situation and maybe a bystander in yet a different situation. When an incident of relational aggression is brought to the attention of the school, the following steps will occur.

The incident will be investigated by the Class Teacher in conjunction with a Pastoral Leader/Year Coordinator, Head of School or Head of Pastoral Care or one of the Deputy Principals.

All parties (the target, the aggressor and all bystanders) will be interviewed independently and all viewpoints will be listened to impartially. The protocols of procedural fairness will be followed.

If deemed appropriate, and the target agrees, target conferencing will be implemented.

The Aggressor

If the student is found to have engaged in an act of bullying, they will be asked to complete the following restorative process:

- **Restitution**: Apologise and make effort to remedy what has happened.
- **Resolution:** Develop a plan to prevent the same behaviour happening again.
- Reconciliation: Find a way to heal the hurt.

If necessary, the student will also be referred for further counselling or may have sanctions put in place by the school.

The Bystander

All bystanders involved will be counselled regarding the role they played in the incident and given guidance as to how to respond in a more appropriate way that supports the target of bullying in the future.

The Target

The target will be counselled and closely monitored and supported by the school. They will be given practical support with coping mechanisms and strategies and will receive counselling if required.

The aim of any intervention is to find a resolution amongst the students which allows the target to feel safe, secure and comfortable at school; for the aggressive student to acknowledge and apologise for the hurt they have caused and for the hurt to be healed.

ADVICE FOR STUDENTS

Report situations of bullying to your teacher and parents. It is alright to tell someone. Telling is when you want something to stop. This may be for yourself or someone else that you are aware is being targeted. This is different from 'dobbing' where the motivation is to get someone else into trouble.

Tell your teacher and parents:

- what the problem is
- · how it makes you feel
- how often it has been happening
- · what you have done to stop it
- that you need their help

ADVICE FOR BYSTANDERS

If you know of someone else being bullied, support them in their efforts to put a stop to it. Don't just watch, or even worse laugh or participate. Refuse to join in with a bully in your group. Letting a bully get away with it is like saying it's ok to be a bully.

For more information, please refer to the Bullying Policy on the NAC website.

Procedural Fairness Guidelines

Procedural fairness is a basic right of all when dealing with authorities.

Procedural fairness refers to what is sometimes described as the 'hearing rule' and the 'right to an unbiased decision'.

THE HEARING RULE

The 'hearing rule' includes the right of the person against whom an allegation has been made to:

- know the allegations related to a specific matter and
- any other information which will be taken into account in considering the matter
- know the process by which the matter will be considered
- respond to the allegations
- know how to seek a review of the decision made in response to the allegations.

THE RIGHT TO AN UNBIASED DECISION

The 'right to an unbiased decision' includes the right to:

- impartiality in an investigation and decision-making
- an absence of bias by a decision-maker

Procedural fairness includes making available to students and parents or caregivers policies and procedures under which disciplinary action is taken. It also includes providing details of an allegation relating to a specific matter or incident. This will usually involve providing an outline of the allegations made in witness statements and consideration of witness protection. As part of ensuring the right to be heard, schools could establish any need for parents/caregivers to be provided with interpreter services and, if required, make arrangements for such services to be available.

While it is generally preferable that different people carry out the investigation and decision-making, in the school setting this may not always be possible. If the Principal is conducting both the investigative and decision-making stages, he or she must be reasonable and objective. To be procedurally fair, the Principal must act justly and be seen to act justly. While it is difficult to combine the roles of investigator and adjudicator, it is acceptable to do so given the nature of the Principal's responsibilities. Nevertheless, it may be preferable to have another appropriate officer, such as a Deputy Principal or Head of Junior School, carry out the investigation where possible. The review mechanism adds to the fairness of the process.

In matters where a long suspension or expulsion is contemplated, the gravity of the circumstances requires particular emphasis to be given to procedural fairness. This includes the offer of having a support person/observer attend formal interviews. The key points of the interview/discussion are to be taken down in writing.

PROCEDURAL FAIRNESS IN DISCIPLINARY PROCEDURES

Any incident involving a **suspension** or **expulsion** MUST involve an appropriate member of the EXECUTIVE in the initial investigation or as soon as possible.

Executive Members

- Head of Junior School
- Head of Senior School
- Deputy Principal: Wellbeing & Growth
- Deputy Principal: Learning & Innovation

The Principal will be the person who makes the ultimate determination regarding suspension or expulsion.

This is to ensure procedural fairness is upheld in all instances involving suspension and expulsion.

It is expected that all Nowra Anglican staff and students will deal with disciplinary procedures with compassion, truthfulness, fairness, consistency and equity without malice or condemnation. The views of all parties will be considered.

Procedure

- Any misdemeanour which incurs
 a serious consequence will be
 investigated and authenticated by a
 member of the executive staff who will
 document all steps in the process of the
 investigation.
- 2. Interviews with the student involved will be conducted by a member of the executive, in the presence of a third party. This, in most cases will be the Year Coordinator (or classroom teacher) whose role will be to support the student.

- 3. During the interview, students will be asked their accounts verbally and then required to write these out in full using the **Student Incident Proforma**.
- 4. Other witnesses to the incident or those identified by the student involved will be interviewed and asked to write out their account of the incident. This includes students, teachers and in some instance's parents.
- After all accounts have been gathered, the student involved will be given the opportunity to:
 - know the allegations related to a specific matter and
 - any other information which will be taken into account in considering the matter
 - know the process by which the matter will be considered
 - respond to the allegations in the case where witness accounts differ from those of the student involved
 - know how to seek a review of the decision made in response to the allegations.

If the misdemeanour is substantiated as a result of the investigation, parents/guardian will be informed by telephone and asked to come to the school for an interview with a member of the executive. In conjunction with the parents/guardian and, where appropriate, the School's Psychologists, action which is in the best interests of both the student involved and the school community will be discussed and resolved. The final decision for the appropriate course of action is made by the Principal.

Information Communication Technology

Digital technologies offer tremendous potential to enhance our lives through social interaction, automation, access to information and amplified creativity but technology must be used ethically and wisely if we are to experience the benefits it brings without harm. Students graduate from Nowra Anglican College as proficient and ethical users of technology able to actively shape a positive, 21st Century future.

Our teachers craft rich, technology mediated learning experiences in the classroom and online and our students enjoy the benefits of organised access to digital information, personalised content, rich feedback and innovative tasks. Students have access to a wide range of specialist, industry-standard software applications for authoring music, text and visual media. They learn to use innovative, computer aided design and manufacturing technologies and they develop a deep understanding of how technology influences our modern experience by authoring their own algorithms.

Daily access to high-level technology is a privilege that can only be bestowed to members of the Nowra Anglican College community committed to ethical, thoughtful and safe use of personal and school-owned technology. To do otherwise risks substantial harm and so only students and staff that adhere to the guidelines set out in this document can enjoy uninterrupted access to computing technology at the school.

Social media and social networking have become ubiquitous in the 21st century as a means for personal connection, professional exchange and service delivery. While Nowra Anglican College discourages early adoption of social media, many educational resources include tools for chat, comment and online posting and it is imperative that students develop skills, knowledge and values to navigate the online world. Nowra Anglican College recognises that what is posted on the worldwide web becomes a permanent record and nothing is ever deleted and so this policy includes guidelines for safe, courteous conduct online that will enhance our individual and collective reputations.

ACCEPTABLE USE

Acceptable use and expectations are guided by the following principles:

- We live under the authority of God and we are always to bring glory to Him by loving one another in word and deed.
- Online behaviour should, at all times, demonstrate a Christ-centered respect for the dignity of each person.
- Students must therefore behave in an ethical manner when using digital devices, whether school owned, or student provided (BYOD) to access resources, communicate and interact with others.

Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen. Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.

EPHESIANS 4: 29 AND 32

Every member of the Nowra Anglican College community including students, parents and staff will be asked to support these guidelines as well as the policies named below. You will be required to indicate a commitment to upholding the guidelines by signing the diary that contains a copy of this document.

NOTE: For the ICT, Student use of Mobile Phones and Student use of Social Media Policies please see the College Website.

EXPECTATIONS YEARS 7-12

Student Laptops

- Student devices must be well maintained
- Student devices must meet the minimum specifications outlined in the NAC 1:1 Learning Guide

ICT at Home

- Laptops are to be connected to a power supply each evening so that they are fully charged at the beginning of each day
- Correct posture at a table or desk is to be maintained when the laptop is used.
 Bring the screen up to eye height and use a separate keyboard and mouse
- Parental controls are highly recommended on devices, streaming services and home networks so that device use is consistently monitored
- Applications to protect the device against viruses and malicious software must be installed

ICT in Class

- Mobile phones are stored in students' lockers during school hours and not brought to class unless directed to do so by their class teacher for educational purposes.
- Smart watches are not to be used as a communication device during the school day or on school-based activities.
- Students are to only bring school approved laptop and headphones to class unless asked to by their class teacher for the purposes of learning
- Students must bring their fully charged laptop and a set of headphones to each lesson
- Laptops are to remain closed until the teacher directs students to begin using them
- Students use personal and schoolowned technology for activities directly related to the learning intention of the lesson
- Browser tabs not relevant to the current lesson are to be closed
- Students use only the username and password assigned to them by the school to log onto the school network
- Students keep their username and password secure and do not disclose them to others
- Students only connect to the internet by logging into the school WIFI portal. Connection via mobile phone hotspot or VPN software is considered unacceptable conduct
- Video, photographic and audio recording is to be done at the direction of teachers for the purposes of completing class tasks

- Students store files in Google Drive
- Images used as a desktop background are to be simple, appropriate and conducive to working without distraction
- Students contribute productively and purposefully to digital collaborations.
 Interference with the work of others is unacceptable
- Students must not physically or electronically jeopardise School or student data or equipment
- Should any software or browser extension cause distraction from learning, the school may require that it be uninstalled
- Students are to avoid accessing inappropriate websites. If this should happen by accident students should exit from this website immediately

ICT During Break Times

- Break times during the day are for building positive social skills with other students, as such, the use of BYO devices in the playground is strongly discouraged.
- Students who are using BYO devices in the playground will be asked to put them away.
- The Library is available for those students who need to use their BYO devices during break times.

PRIVACY

- All electronic files residing on the school's infrastructure and in the SRAS Google domain are the property of the College
- Students should undertake their work with the knowledge that their activity

- may be monitored and that they may be held accountable for the content within their files
- Nowra Anglican College uses SOPHOS web filtering systems to restrict access to inappropriate or malicious web content
- Account access logs are used to identify the quantity of data downloaded by individual students and record the IP addresses of websites accessed
- Where IP addresses are associated with VPN applications, restrictions will be imposed on the student's technology access at school

SOCIAL MEDIA

Nowra Anglican College and it's a community are committed to upholding the highest level of respect for others when using social networking and social media sites. To this end, those who are members of the NAC Community will not use abusive, rude or crude language when communicating with each other. Students are to use their words to encourage and build one another up, treating themselves and others with the highest level of respect.

It is therefore, never acceptable to use digital devices to harass, bully or humiliate others. Any such behaviour that affects members of our community, whether it occurs at school or outside of school, will be considered a breach of our Code of Behaviour and dealt with accordingly.

- Students may not use social media during the school day
- Parents/carers are asked to comply with the age restrictions of social media platforms and we recommend the

eSafety Commissioner's guidelines for delayed exposure to online social and entertainment media

- Social media posts contribute to a life long "digital footprint" that could be viewed by prospective future employers, senior members of the school and church community, students and loved ones. Posts should be modest, discrete and polite.
- Students may not share images of another person without his or her consent
- Students may not reveal personal details about others online
- Students may not access or share sexually explicit material
- Students should try to resolve conflict in person with the help of trusted teachers and pastoral staff and never engage in conflict or arguments online
- Social media posts should not include criticism of any member of the school community and only contribute to building the school's positive reputation
- Students should report instances
 where they or others are offended by
 social media posts to school staff who
 will assist with identifying possible
 harassment or bullying and guide
 appropriate action
- Privacy settings on social media posts should be set so that the audience for any post is appropriately restricted
- Interaction with school staff on social media sites is only to occur in the context of a formal learning exercise as per the Communication Policy

MOBILE PHONES

Students are not to contact parents during the day by mobile phone. Parents are to

support this policy by not contacting their child by mobile phone during school hours.

Students who have an issue that arises during the day are to first seek help from their Homeroom Teacher, Year Coordinator or other staff member rather than contacting their parents. These staff members are able to understand and deal with the issue in the first instance and where needed get additional information to help clarify the issue for the student(s) concerned.

In an emergency, students can use the phone in the school office to contact parents.

CARE AND MAINTENANCE

- Student laptops should be new or near new at the time the student enters
 Year 7 with an expectation of repair or replacement during the six years of high school.
- It is the responsibility of families to keep their chosen IT device in good working order to ensure minimal disruption to learning
- Student laptops are to be stored in lockers secured with the College issued combination lock at breaks
- A rigid laptop case is recommended
- Students are not to throw or sit on school bags to protect laptops
- The contents of the school bag should allow ample space for the laptop as over-packing can exert excessive force that results in damage to the device
- An additional power cable can be useful should charging be required away from the home

BREACHING ICT GUIDELINES AND POLICIES

In addition to the consequences outlined in the Nowra Anglican College Student Code of Behaviour, misuse of technology may also result in temporary suspension of the user account, preventing access to the school's digital resources. In some instances, students may be required to use a school-owned device with limited functionality. In cases of online threats to safety, criminal activity or exploitation, the matter will be referred to the police.

Caffeinated Beverages and Soft Drinks

As a school, we aim to promote healthy lifestyles and a positive learning environment by encouraging healthy eating and drinking behaviour. As a school that places a premium on teaching and learning, behaviour and wellbeing, we have found that the consumption of energy drinks and sugary soft drinks is not beneficial to effective learning.

It is clear from the research, excessive amounts of caffeine in energy drinks and sugar in high sugar drinks mean some students lose concentration in the short term and, by the end of the day, are feeling flat and are less responsive to learning opportunities.

Consumption of sugary drinks is associated with increased energy intake, weight gain and obesity, as well as other negative health impacts such as Type 2 Diabetes, Cardiovascular disease and some cancers. Studies have also found a clear relationship between the amount and frequency of sugary drinks consumed and an increased risk of dental erosion.

Energy drinks or sugary soft drinks should not be consumed at school, or at a school event (including excursions and camps).

SUGAR-SWEETENED DRINKS

Examples: Soft drinks, Flavoured waters (sparkling or still), Vitamin waters, Energy drinks, Sports drinks, Iced teas, Fruit drinks (less than 99% juice), Cordial, Slushies (with less than 99% juice), Coconut water (plain or flavoured), Ice-blocks (with less than 99% fruit juice).

Sugar-sweetened drinks have been banned from sale in NSW public schools (including in canteens and vending machines) since 2007.

ENERGY DRINKS

In addition, energy drinks such as Red Bull, Mother, V and Rockstar are banned at Nowra Anglican College, as they are banned in NSW schools by the Department of Education. Some of these drinks have more than 108 grams of sugar (22 teaspoons) and 240 mg of Caffeine (3 standard coffees). These drinks have been proven to have a negative effect on student's health and learning.

Students with these drinks at school will have them confiscated and disposed of by staff. **Water is our preferred drink.**

Only water in clear bottles may be consumed in lessons and during examinations. No other drinks will be permitted in class, except for medical reasons. Those students who have medical reasons to consume drinks other than water during class time are to liaise with the Head of Studies in the Senior School and the Head of Junior School in the Junior School.

All students have access to water throughout the day. All students are encouraged to bring a reusable water bottle that can be refilled at breaks and lunchtimes using the cooled water fountains.

During sports gala days, students may consume sports drinks in moderation. However, water is still recommended as the drink of preference throughout the day.

Representative Sport Guidelines

REPRESENTATION POLICY

To represent Nowra Anglican College at any level of school sport or other activity is a privilege and honour. The purposes of this policy are to ensure:

- The behaviour of students selected as representatives of Nowra Anglican College is of a high standard.
- For Year 11 and 12 students, there is a focus on the wellbeing of students.
 This is achieved by having a balance between an academic focus and extra-curricular focus, which includes external commitments such as representative sports.
- Staff assisting/supervising school sporting representatives will have a set of procedures consistent with the ethos of the College's Positive Behaviour for Learning Guidelines
- Students are aware of the College's expectations concerning their behaviour while representing the school in sport and other activities.
- It is important that staff assisting/ supervising sporting representatives ensure this policy is discussed with and understood by all students participating in representative sport.

Expectations Prior to Representing Nowra Anglican College

The behaviour/s exhibited within
the College community prior to
representation should clearly signify the
student's capacity to represent Nowra
Anglican College in a wider sporting
context to an acceptable standard.
Failure to demonstrate these capacities
may lead to the withdrawal of the
student from representative situations.

- As a guiding principle, Year 11 and 12 students are to choose ONE sport per semester which they would like to represent the College.
- As a guiding principle, Year 10 students are to choose a maximum of TWO sports per semester in which they would like to represent the college. **NOTE:** For an Elite sports person, where parents choose to give written permission for their son/daughter in an additional sport per semester, this will be considered by the College in consultation with the student and their family.
- Students are to choose the sport that they are representing the College for during Wednesday Sport and participate in the training provided. This applies to all students who do not currently play this sport outside of school. If the student already plays this sport outside of school, they are not expected to choose this as their Wednesday sport, however, they are expected to attend all training sessions. Students will need to state which club or organization they currently play with outside of school.
- Where training is scheduled outside of the College Sport time, students are to ensure they make all training sessions.
- Students must have completed classwork and assessment tasks and failure to have completed schoolwork to a satisfactory standard may result in exclusion from representation in sports and other activities. NOTE: Students who apply for Extensions for formal Assessment tasks will have their representation in sports and other extra-curricular activities reviewed by the Head of School and Deputy Principals. This may result in exclusion from these activities.

- Students who receive three or more application grades on their previous semester's report of D or E may jeopardise their eligibility to represent the College in cocurricular activities.
 This will be at the discretion of the Head of School and Deputy Principals.
- Students who have spent significant time with their Year Coordinator or Head of School due to breaches of the Code of Behaviour or lack of commitment to their learning, may jeopardise their eligibility to represent the College in cocurricular activities. This will be at the discretion of the Pastoral Leaders or Head of School and Deputy Principals.
- Students who have been suspended for a significant breach of the Code of Behaviour, will not be eligible to represent the College in cocurricular activities for 4 weeks.
- ALL students representing Nowra Anglican College are required to travel as a team when bus transport is provided. NOTE: This means no senior student is to drive themselves or others to a game when transport is provided by the College.
- Only in exceptional circumstances e.g. significant time travel savings, should Parents/Carers drop off or pick up their child from a sporting ground. Should a Parent/Carer wish to drop off or pick up their child from the sporting ground, this must be communicated prior to the day of the event via the Parent Portal only. When dropping off your child at the ground, Parents/Carers must wait until the NAC Coach arrives. When picking up their child at the ground, Parents/Carers must ensure that their child is signed out with their NAC Coach.

- **NOTE:** No student will be given permission to travel with another Parent/Carer, unless this has been prearranged via the Parent Portal.
- Full College sports uniform must be worn when travelling and representing the College, which also includes hats for all outdoor sports.

Expectations of Nowra Anglican College Sporting Representatives

- Compete by the competition conditions and rules
- Never argue with a decision of a referee, umpire or judge
- · Control their temper.
- No criticism of an official (referee, coach, manager, trainer etc.).
- Using obscene language will not be tolerated while a member of the team or wearing the school uniform/sporting apparel (eg. in a school jersey while spectating etc.)
- Cooperate with your coaches, supervising teachers and officials and treat these people and your opponents with respect.
- Students are to commit themselves to representing the College for the whole of the game and season. NOTE: Should a student be unwell during the game, they are to see the supervising teacher and their teacher will make the arrangements for a parent to come and pick them up, if needed. Where injury prevents a student from continuing to represent the College in a sport, a medical certificate should be provided to the College.
- Smoking including e-cigarettes and vaping in any form, drinking of

alcoholic beverages or the use of illicit drugs as a member of the team is strictly forbidden.

PLAYERS' CODE OF BEHAVIOUR

- At all times play within the rules of the game.
- Abide by the decision of the officials.
 Never argue with an official.
- Control your temper. Verbal abuse of officials or other players, deliberately distracting or provoking an opponent is not permitted in any sport.
- Work equally hard for yourself and/or for your team. Your team will benefit and so will you.
- Be punctual to training and all matches.
- Be a good sport. Applaud all good plays, whether they be by your team, opponent or the other team.
- Treat all players as they would like to be treated. Players must not interfere with, bully or take unfair advantage of another player.
- Cooperate with your coach, teammates and opponents. Without them there would be no competition.
- Players are expected to be modest in success and generous in defeat.
- Players are to wear the appropriate College uniform, sports uniform and footwear to and from the event and during competition.
- All grounds must be kept clean litter must be placed in the bins provided.

Higher Representation Expectations

Often students are selected to represent the College at higher levels such as representation of the Southern Anglican Schools Sports Association (SASSA), the Association of Independent Coeducational Schools (AICES), NSW Combined Independent Schools (CIS) and NSW Christian Schools Sports Association (CSSA). Students who are selected for higher representation duties and commit to these teams, must turn up to the necessary training and to the events.

Students who achieve higher representation but do not comply with the expectations mentioned above may receive disciplinary consequences at a school level via the Principal.

Consequences

Should a student choose not to follow the expectations mentioned above:

- Minor indiscretions will be addressed by the staff member in charge of the sport and may require the intervention of the Coordinator of Sport.
- Major indiscretions will be referred immediately to the Head of School and Coordinator of Sport.

Depending on the seriousness of the misbehaviour/breach of expectations, the College may decide further action should be taken regarding the matter. This could involve suspension from further sporting representation, including representation in other sports.

The student must earn back his/her privilege of representing the College and this must be done at the discretion of the Principal, Deputy Principals, Head of School and the Coordinator of Sport.

SPECTATOR POLICY

School Students

- Students in attendance at games where Nowra Anglican College is represented are considered representatives of our school community and therefore will be required to abide by the College's Code of Behaviour.
- All officials, teachers, coaches and opposing players, parents and spectators are to be treated with respect and courtesy. No abusive behaviour towards such people will be tolerated.
- Smoking including e-cigarettes and vaping in any form, drinking of alcoholic beverages or the use of illicit drugs is strictly forbidden.

SPECTATORS' CODE OF BEHAVIOUR

- Children play organised sports for fun. They are not playing for the entertainment of spectators only, nor are they miniature professionals.
- Applaud good performance and efforts from each team. Congratulate all participants upon their performance regardless of the game's outcome.
- Respect the officials' decisions
- Never ridicule or scold a child for making a mistake during a competition.
- Barracking is expected to be positive and enthusiastic and never directed toward the opposition.

Examples of Poor Sportsmanship

- Barracking during a kick at goal.
- Attempting to influence a referee's decision.

- Applauding a player's dismissal.
- Booing or Whistling
- Disagreeing with an official's decision.

We encourage you to:

- Condemn the use of violence in any form, be it by spectators, coaches, officials or players.
- Show respect for your team's opponents.
 Without them there would be no game.
- Encourage players to follow the rules and the official's decisions.
- Demonstrate appropriate social behaviour by not using foul language, harassing players, coaches or officials.

Remember:

- Comments should not interfere with the running of the game.
- Praise is encouraged at all levels.
- Complaints concerning the conduct of games should not be made during or after the game. They should be referred to the Deputy Principal(s) or Head of School and any action should be left to his/her discretion.
- Under no circumstances should parents contact other schools directly.
- Smoking, drinking of alcoholic beverages or the taking of nonprescribed drugs is strictly forbidden at College sanctioned sporting events.
- Students in attendance at games where Nowra Anglican College is represented are considered representatives of our school community and therefore will be required to abide by the College's Behaviour Management Policy.
- All grounds must be kept clean litter must be placed in the bins provided.

Junior School Uniform

We expect students to wear their uniform with pride and maintain high standards in regards to the wearing of the correct school uniform.

The objective of Nowra Anglican College's uniform policy is to promote a College culture which provides all students with a fundamental sense of belonging and to develop within each student a sense of personal identity which links to their commitment to the College community.

The uniform of NAC reflects the positive image and values that we as a College want to demonstrate to the wider community. It also reflects our pedagogy and therefore must be practical and comfortable throughout the year. A consistent and fair uniform policy improves overall student morale and student cohesion in the College community. Students are therefore expected to maintain a high standard of personal grooming at all times. Presenting an exemplary image to the College and community is the responsibility of every student.

GENERAL APPEARANCE

While the uniform policy is explicit it is not exhaustive in its detail. Students and parents should use this as a guide as to how NAC expects students to appear.

We do not allow students to have tattoos, cosmetic or otherwise, or have anything that over-enhances their features, such as false eyelashes.

All Students (compulsory)

- Black, fully enclosed, polishable leather shoes with flat heel and plain sole.
- The College backpack is compulsory for all students. A small tag can be attached to bags to allow for identification. Bags must be free of graffiti and kept in good repair.
- All students are required to wear a hat when outside. Senior School students can choose either the bucket hat or sports cap.
- All clothing and equipment must be clearly labelled with the student's name.

Student Hair

All Students (compulsory)

- Hair is to be neat, off the face, not covering the eyes and no shorter than a no. 2.
- Attention-seeking hairstyles, colours, or beading are not permitted.

Boys

- Year 7-12 boys may wear their hair out "bob-style" if it is above the collar or tied back in a neat ponytail or "man-bun" if it reaches the collar.
- Boys are to be clean-shaven and have sideburns no longer than the earlobe.

Girls

- Hair longer than the collar must be tied back with plain navy, red or white bands/ribbons or scrunchies in Kindergarten to Year 10, and in Years 11 and 12 if required for WHS reasons.
- Collegians are required to tie back their hair for any formal occasion such as School Photos (group photos only), ANZAC Service, Valedictory Service, or Presentation Day Assemblies.
- Hair Colour Hair colour should be natural in tone. Discrete highlights that blend naturally are acceptable, extreme contrasting colours are not. If students are in doubt about a proposed change in colour, please consult with a Head of School or Deputy Principals.

Jewellery

- Girls are permitted to wear one set of matching earrings (one in each ear lobe). These may be plain fine sleepers or small simple studs in gold, silver and may include a clear or coloured stone.
- Boys are not permitted to wear earrings.
- Necklaces, in gold or silver with a simple charm. These are to be unobtrusive, that is small and simple in appearance, if visible when worn with their uniform.
- For WHS purposes, necklaces should not be worn when playing sport or PDHPE.
- Medical necklaces or bracelets may also be worn.
- Collegians may wear one small, plain ring on one hand.
- Charity jewellery and accessories can only be worn for the period of the promotion (maximum up to two weeks).
 Only one approved charity item may be worn at a time.

- Watches may be worn. Should students choose to wear a 'smart' watch it should not be used as a communication device. If used in this way then the consequences of using a mobile phone will apply.
- Visible body piercings, clear studs and stoppers (including tongue studs) are not permitted. This includes ear piercings other than the earlobe (including helix, scapha and tragus of the ear).
- Costume jewellery and bracelets are not permitted.

Makeup

- Colourless lip balm, for lip protection, is allowed.
- Nails should be kept short and neat and natural in their appearance, as such, clear nail polish may be worn.
 Due to industry standards, students studying Hospitality are not able to wear nail polish.
- Kindergarten to Year 10 are not to wear any make-up.
- Collegian girls may wear modest amounts of light make-up. This includes an unobtrusive application of light foundation and light application of mascara to the upper lashes only.
 Should students wish to clarify what is considered 'light' then they may ask the Deputy Principals, Head of School or Year Coordinator.

Super Six Reading Comprehension Strategies

The Super Six reading comprehension strategies help me to understand and remember what I read.

MONITORING

Thinking about and understanding what I am reading

- Is this making sense?
- What have I learned?
- Should I slow down? Speed up?
- Do I need to reread?
- What does this word mean?
- What text features help me understand what I am reading?

MAKING CONNECTIONS

Linking prior
knowledge with new
information while
readina

- · Text-to-self: something in my life
- Text-to-text: something I have read, seen or heard
- · Text-to-world: things occurring in the world
- Has something like this ever happened to me?
- Does this remind me of something?

PREDICTING

Making an informed guess using the text and my own background knowledge

- What will this text be about?
- What words or images do I expect to see in this text?
- What might happen next? Why do I think that?
- What helped me make that prediction?
- Were my predictions accurate?
- How did I confirm my predictions?

VISUALISING

Creating images to help me understand, organise and remember what I have read

- What images do I have in my head?
- How do the images help me understand the text?
- How can I use my senses to bring the text to life?
- How does drawing help me to remember and organise my ideas?
- How do my sketches help me to explain my understanding of the text?

QUESTIONING

Asking and answering questions to wonder and to clarify what I don't understand

- I wonder?
- I use 5WH to create questions
- Questions can be closed or open
- I can use questions to infer
- I can use questions to inquire

SUMMARISING

Deciding which are the most important ideas and retelling them in my own words

- I can locate the key information
- I can identify the main idea in a text
- I can paraphrase
- I can sequence important events
- I can analyse

College Hymn

Praise God for his goodness, through all ages known, Praise him for his mercy, to all peoples shown; Praise him as creator, judge of all the earth, Who, despite our failings, loves beyond our worth.

CHORUS

All our days of learning, Christ to you we bring; Be to us our future, As your praise we sing.

Glory be to Jesus, God to us reveals,
Love beyond our knowing life its fullness seals;
From our sins redeeming, all our debt to pay,
Through his death and rising we are shown our way.

In Christ rests all wisdom, knowledge, love and truth, Source of our forgiveness, of God's love the proof; May we then to others make his gospel known, All in full obedience, live for Christ alone.

"Imitation is not just the sincerest form of flattery - it's the sincerest form of learning."

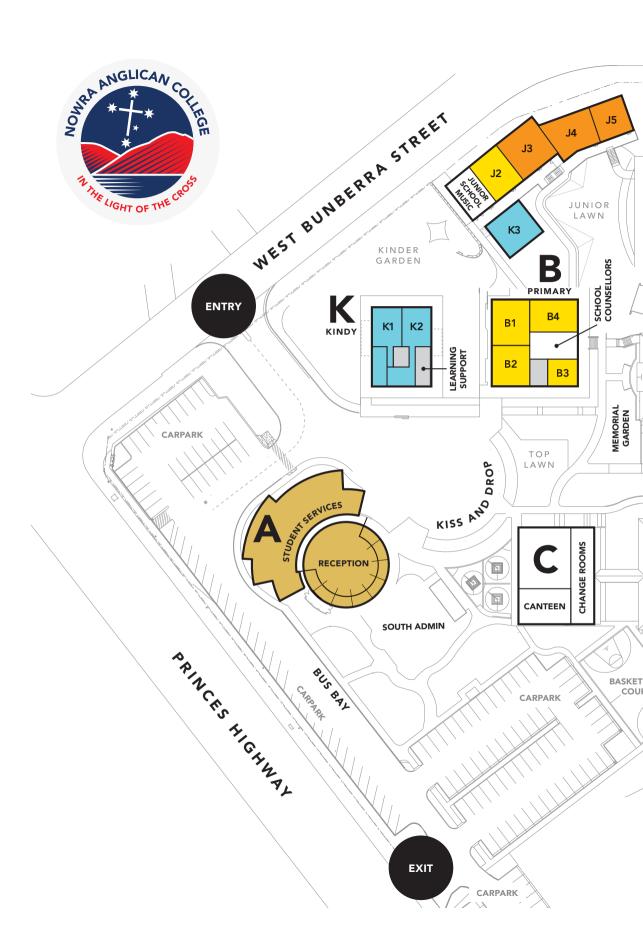

GEORGE BERNARD SHAW

"Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience. ¹³Bear with each other and forgive one another if any of you has a grievance against someone. Forgive as the Lord forgave you. ¹⁴And over all these virtues put on love, which binds them all together in perfect unity.

Let the peace of Christ rule in your hearts, since as members of one body you were called to peace. And be thankful. ¹⁶Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts. ¹⁷And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him."

College Prayer

Our God and Heavenly Father whose Son Jesus Christ came into the world to save us

You alone are holy, we honour you

Help us to know you through Jesus Christ and to live in a way that pleases you

You are loving and gracious

Help us to trust you and to be kind and show compassion to others

You are the creator of all

Help us to show respect for your creation and all people who live in it

You are the source of knowledge and understanding

Grant us wisdom and courage as we grow and learn

We thank you for our school; staff, students and families

Help us live in the light of the cross.

In Jesus name

Amen
