

## Volunteer opportunities

The Fitzroy Football Club needs volunteers for all the teams we field in the VAFA:

- Senior Men
- Senior Women
- Reserves Men
- Reserves Women
- Thirds (Men and Women)
- U19s

We provide instructions and support for all roles and any special clothing. If you're interested in any role – big or small - contact Sophie on [volunteers@fitzroyfc.com.au](mailto:volunteers@fitzroyfc.com.au)

### Roles

**Team Manager** – lend your support to a coach and players by coordinating all their off-field needs. This is a role across a season and requires you to be at each game.

### Game Day roles

- Boundary umpire
- Goal umpire
- Umpire escort
- Runner
- Timekeeper
- Water carrier

### Boundary umpire

This is a great job for someone who wants to keep fitness up. We'll provide training, uniform and whistle.

### Goal umpire

We provide flags, coat, pen, scorecard and instructions.

### Umpire escort

Umpire escorts walk the umpires out onto the ground at the start of the game, off at half time, back on after the break and at the end of the game.

### Runner

Another great job if you want to maintain your fitness. You'll be taking messages from the coach to players.

### Timekeeper

A timekeeper from each club sits together to record the start and finish times of each quarter and blow the siren to get quarters started and finished. You will also record all goals and points.

### Water carrier

Another great role for fitness. You will deliver water to players during the game and fill and empty the bottles as needed.
