Welcome

Welcome to the 2021 Birdsville Big Red Bash, the world's most remote music festival.

We are so grateful to be able to bring to you this incredible music festival set against the stunning backdrop of the iconic Big Red Dune.

The Big Red Bash will be Australia's largest multi day music festival since COVID-19 shut the world down in March 2020. It's been an incredibly difficult year for the live music industry, it's an honour and privilege to welcome you now from all corners of Australia.

We're looking forward to letting our hair down, having some fun, meeting new people, enjoying live music and everything else that's on offer at the Bash. From Sunrise Yoga to scenic helicopter flights or simply chilling out with a cold beverage around the fire, we know you're in for an experience of a lifetime.

Please take the time to read through this guide, as there's a host of useful and important information you should be aware of.

Until the dust settles, have a rockin' great time at the 2021 Bash, it's been a long time coming!

Greg Donovan, founder of the Big Red Bash

SAFE OUTBACK DRIVING GUIDELINES:

1. **Plan** your driving to be off the road by sunset. It's not worth the risk of hitting roos and cows at night.
2. **Take scheduled breaks** every couple of hours – enjoy the local towns, creeks and warm hospitality of the locals.
3. **Don't overtake** in dusty conditions. Slow down and hang back out of the dust. Be patient or stop for an early break and a roadside cuppa.
4. If a **truck or road train** is coming towards you raising dust, slow down, pull over to the side of the road and wait til they pass.
5. Be aware of loose and sloped road surfaces, even on straight sections of road. **Drive slower than normal** and enjoy the outback scenery.
6. The roads leading into and out of Birdsville will be busy. Allow at least a day of buffer time for the journey out and the same back.
7. **Bookmark websites** showing outback road conditions on your route and check in before you travel. Visit www.bigredbash.com.au/outback-road-conditions for more info.

Developed in association with Police, road safety authorities, local council and outback experts.

Your Guide to ROLL IN & ROLL OUT

Welcome TO THE 2021 BIG RED BASH!
