MUNDIVILLE SITE RULES

CAMP FIRES

Campfires are permitted. Bring your own firewood supply as collection on the surrounding property is prohibited. Fires must be kept to a reasonable size for safety purposes. (i.e. no bonfires). A limited supply of firewood is sold on site.

RUBBISH

Each vehicle will receive a Rubbish Sticker which entitles you to drop an 80L garbage bag of rubbish into the Mundiville Garbage Truck, free of charge. Additional Rubbish Stickers can be purchased from the merchandise stand for \$10 each. **You must take all your extra camp rubbish with you.**

Bins in the Plaza and Concert area are for food vendor and concert area rubbish only. Please do not dump your camp rubbish in these bins.

RECYCLING

Recycling bins for aluminium cans and PET plastics will be available in the concert and plaza area and campground toilet blocks. Place your empty cans in the recycle bins during the concert and help us look after the environment.

TOILETS

Banks of our amazing, odour-free, eco-friendly composting toilets are provided around the campground, plaza and concert areas. These will be serviced regularly.

Only poo, wee and toilet paper should go into the toilets: chemicals and inorganic matter muck up the composting process! Bins are provided for female sanitary items.

PROHIBITED ITEMS

Mundiville is on a privately owned, sheep station. We ask for your co-operation in helping us look after the property and leave it exactly how it was before the festival.

No glass in concert, public or camp areas. Glass allowed in your camp kitchen only.

Prohibited items in the Concert Area:

- Glass
- Animals (dogs are allowed – see the dog friendly rules)
- Metal cutlery (including cheese knives)
- Umbrellas
- Tables, sunshades, tents or anything that will obstruct views of the stage
- Aerosols

There will be bag checks as you enter the concert area and prohibited items will be confiscated. Organisers will not take responsibility for confiscated items.

WATER

There is no running water available on site. **Please bring your own.** Food vendors sell bottled water, but it will be an expensive option if you're solely relying on it.

GREY WATER

Grey water can be disposed of on your campsite, in moderation. Biodegradable detergents and soaps only. Ensure that any grey water drained onto your campsite

doesn't run on to your neighbours campsite or any adjoining roads or paths. You may dig a small hole on your campsite to assist in containing grey water run-off.

Consider bringing extra grey water storage drums to supplement your on-board storage of grey water for later, off-site disposal.

BLACK WATER/TOILET CASSETTES

You must take ALL your black water (including toilet cassettes) back to the dump points in Broken Hill. There is **no black water disposal anywhere at the Mundi Mundi Bash site**. Do not put black water in the composting toilets and do not release black water onto the ground.

SHOWERS

There are **NO** showers at the Mundi Mundi campsite. We recommend wet wipes or similar to keep clean during the event.

GENERATORS

Only allowed between 8am and 8pm.

ALCOHOL

BYO alcohol is permitted, but NOT IN GLASS. It's a concert not a booze up, so please drink responsibly! Anyone who is intoxicated and causing a nuisance will be removed from the venue.

AIRCRAFT & DRONES

No unauthorised aircraft or drones/ Unmanned Aerial Vehicle (UAV).

There will be a helicopter and approved UAV/drones operating during the festival. For safety reasons no other aircraft or drones are allowed over the festival or surrounding property.
