

ROLLING IN... THE ESSENTIALS!

- Pick up your wristband and car pass from **Broken Hill Racecourse in town. You CAN'T get into Mundiville without it.**
- You must stick your vehicle sticker to the **outside** of your windscreen and **wear your wristband at all times.** Do this in Broken Hill before you head off to Mundiville to avoid any delays at the entry gates.
- Early Entry roll in starts at **8am on Tuesday 16th or Wednesday 17th August** (depending which option you purchased). **Check your ticket and car pass** to find out which day you can arrive from.
- Early entry roll in **closes strictly at 6pm.** If it's busy on the road or at camp entry it might take an hour or so to travel from Broken Hill—make sure you arrive in plenty of time. If you get to the entry gate after 6pm you won't be allowed in.
- You will be allocated to a marked campsite with a minimum size of approximately 100sqm. The shape of each campsite will vary, but most will be around 13.5m x 6.75m. Marshals will direct you to the best available campsite when you arrive. The campsite is filled from front (closest to stage) to back.

- Just before you reach your campsite there may be a short wait as others position themselves into their sites. Please be patient during this process to help everything run efficiently and calmly.

FAQS

Can I roll in on a later day?

Yes, your Early Entry Pass tells you the *earliest* day you are allowed to roll in, but you can pick a later day. For example, if you have a 2 Day Early Entry Pass you can choose to roll in either Tuesday, Wednesday or Thursday, however if you have a 1 Day Early Entry Pass, you can only choose from Wednesday or Thursday.

If we are coming in a group can we all camp together?

Yes, but you must arrive at the Mundiville entry gate together. We recommend you meet in Broken Hill first, and drive in convoy to the Bash site. Groups that arrive together will be allocated adjacent campsites.

Can we save a campsite for friends who are coming later?

No, space saving is not allowed because we fill the campsite from front to back as campers arrive.

I have a dog, how do I know where to camp?

Marshals will direct you to the dog friendly campsite when they see your special windscreen sticker.

Can I choose a campsite further back than the one I'm allocated?

Yes, just ask the marshals who are directing patrons to their campsites.

Can I leave the campsite in my vehicle after I'm set up?

No, vehicle movements are prohibited once you've set up in camp, for the safety and comfort of everyone. For full details, see the *Camping Overview* page on our website.

What is there to do at Mundiville, for those rolling in early?

You can kick back in camp and relax, meet fellow campers, go for a walk up on the ranges.

We'll have a busy schedule of other activities including outdoor movies on the Big Screen and lots more. We'll let you know when the details are on the website!
