

Certificate III in Individual Support (Ageing)

Descriptor

This qualification addresses work primarily in residential facilities under direct or regular supervision within clearly defined organisation guidelines and service plans. These workers carry out activities to maintain personal care and/or other activities of living for people who are in an aged care setting and carry out activities related to an individualised plan. They report directly to a supervisor and are not responsible for other workers.

Possible Job Titles

- Assistant in nursing
- Home care assistant / Personal care assistant
- Care service employees
- Community care worker / Care worker
- Residential care worker
- Support worker

Mode of delivery

This course is delivered to international students in face-to-face classes of 20 hours per week. An additional 10 hours per week is required to complete unsupervised, independent study. A work placement component of 120 hours is included and will be at a College-approved venue. The mandatory work component may be paid or unpaid.

Assessment

Assessment for this qualification is by written reports, case studies, projects, role plays, written assessments and third party reports and assessments in simulated environments as well as a designated workplace.

Recognition of Prior Learning

Recognition of Prior Learning (RPL) is available to all students applying for this qualification. Conditions apply. RPL is the recognition of your current skills and knowledge acquired through prior learning from other training, work or life experience.

Target Groups

Students who wish to work in an aged care facility under direct supervision. International students must hold an approved student visa and study according to their visa conditions.
