

It's an Adande; it works like no other fridge or freezer...

## ADANDE Matchbox Drawers

Pass-through (Matchbox) units provide access to stored ingredients from both sides of an island unit - an ergonomic solution for commercial kitchens where space is limited.

### Applications

- Access from both sides
- Central island bulk storage
- High productivity prep station
- Perfect for small cramped kitchens
- Flexible pass solution

### Operational Benefits

- Flexibility: works as a fridge or freezer
- Reliable: amazing temperature stability
- Green: extremely energy efficient  
Cuts food wastage:
  - » Food does not dehydrate
  - » No freezer burn or ice crystals
  - » No condensation on the food
- Ergonomically efficient
- Minimal maintenance costs
- Quick and easy to clean
- Robust and reliable

#### Capacity

4 x 1/1 GN 100mm deep pans (or equivalent)

Code	Type	Height	Width	Depth
VCM2/CT	Standard castors (countertop unit)	891	1120	710
VCM2/CW	Standard castors (with solid worktop)	900	1120	710
