

432mm WIDE MASTER SERIES CHAR BROILER

Garland's Master Series char broiler consists of heavy duty rack sections which are easily moved for flat or tilt position broiling.

Garland's cast-iron burners combine speed with precision and even heat distribution to improve efficiency and control. All of the burners in the range are made of cast-iron for better heat retention and lasting durability.

Featuring stainless steel construction front and sides with an aluminised steel main back, large front 191mm deep 2.5mm thick 'plate rail' The 'plate rail' and backguard matches other Master Series units giving a sleek finish.

Cast-iron burners for every 144mm section and heavy duty long lasting ceramic briquettes sitting on horizontal bars distribute heat evenly. Protected individual pilot lights, piezo spark ignition, flame failure and constant burning pilots as standard. Large removable dual sided broiling grates (13mm rounded bar or diamond fine pattern). Exclusive lift-off hopper. Hi-Lo Valves.

Large easy-to-use control knobs sit flush to the 'plate rail' and the unit can sit on top of the optional stainless steel stand with storage shelf.
