## Description

---

### GN3100BT Tropicalised 3 Doors Gastronorm Bench Freezer

GN3100BT is an impressive three-door stainless steel workbench freezer that's able to withhold 464.6 litres with dimensions set at 1795x700x850mm.

This underbench freezers are made entirely of stainless steel within both the interior and exterior, powerful compressors for functionality, efficient self-closing doors and Italian digital controls.

These underbench freezers have ample interior storage space for stock/ingredients with a freezing interior for long-term preservation. The workbenches on top of the unit act as ideal tables for kitchen work - whether it's for cutting, chopping or mixing ingredients, prepping meals and sides or general cleaning.

NOTE: Some units have an additional splashback option.

Stainless steel drawers and door runners also available with this unit.
