Description

HF400 S/S Freezer

This broad, large heavy-duty commercial solid door freezer packs all the interior cool space you'll need for your kitchen's ingredients and frozen foods.

Due to its huge size the HF400 is suited to larger kitchen and workspaces, especially within large restaurants or supermarket chains. This big, tough freezer can fit up to a whopping 361 litres and is built with an exterior stainless-steel frame for durability and long-term use. This unit is made with an interior Zanussi compressor for power, digital temp controls and reversible doors.

For any freezing needs, whether it's for frozen meats, veg or ice, the HF400 covers it all.
