Description

LG-1000GE Large Two Glass Door Colourbond Upright Drink Fridge

This stylish and immaculately designed Colourbond drink fridge includes two layered tempered glass doors, high cooling efficiency, low energy consumption, an illuminated canopy, lighting, adjustable shelves, castors, automatic defrost and condensate evaporation all included in one perfected unit.

LG-1000GE upright glass door beverage display fridge from refrigeration giant, Thermaster, is suitable for any hospitality establishment selling or stocking large quantities of food, stock or ingredients - particularly in restaurants and supermarkets.

The perfect display fridge for your business, this unit features a bright white shade with a large space for storage that aims to keep your ingredients cool and refreshed.
