Description

LG-730GE Two Glass Door Colourbond Upright Drink Fridge

The LG-730GE is one of Federal Hospitality Equipment's premium fridge units designed to store and cool or freeze your stock and ingredients. This two-door behemoth fits snugly within large-scale work and storage spaces including restaurant, café and takeaway shop kitchens, supermarket backrooms and service stations.

Coming in an eye-catching and fashionable design, the LG-730E is built with LED lighting, high cooling efficiency, low energy consumption, heavy duty castors, two layered tempered glass with an illuminated canopy and white powder coated steel plates.

This visually striking and robust fridge is one to watch out for when you purchase your next fridge unit

Two Door 750 Litre
