

MERCURY

GAS RANGE 24"/610mm

The Mercury 24"/610mm space saving oven range is a solution for smaller operations and kitchens with space restrictions. Built to the same quality and build standard, the smaller foot print of the 24" series still offers flexibility, performance, style and value for money. Mercury equipment has been designed with safety, ease of operation and performance as paramount. Mercury has a stylish and robust modular design, constructed of high quality brushed stainless steel, large "cool to touch" dials, large heavy duty adjustable feet and easy to clean and remove accessories.

The 24"/610mm gas range is available with griddle and cooktop combination options, and single size 490x414x354mm oven.
