

FOREVER YOUNG

CLASSIC RIDERS CLUB OF GOULBURN INC.

(Club Formed in 1991)

"The Older We Get the Better We Were"

The Quarterly Magazine

Winter 2011

The idea to form a Motorcycle Club to cater for Restorers and Riders of Old and Classic Motorcycles was nurtured by Mr. N Macdonald and Mr. R Corbet in Neil's unofficial workshop under his house at 92 Verner Street, Goulburn in July, 1991, which led to our inaugural meeting at the R.S.L. Club on the 13th August, 1991 which was convened by Neil and Richard.

Classic Riders Club of Goulburn Inc. Committee 2010/2011

OFFICE BEARERS & COMMITTEE	CLASSIC RIDERS CLUB OF GOULBURN INC. 2010-2011

EDITOR'S DRIBBLE

Well what a shock we have had in our Classic Riders Club with the Secretary and President both leaving Goulburn to live in Newcastle. On behalf of all our members we would like to wish Howard and Julie all the best in the future. Howard will stay on as President up until the next AGM.

Don't know if anybody happened to see that great ABC program "Australian Story" on Monday the 14th February. A gentleman by the name of Doug Sunderland was the centre of attention for riding his motorcycle (Hyosung Aquila) around Australia anti-clockwise, if that's not daunting enough this man is 85 years old and suffering from Prostate Cancer. Doug did this ride solo sleeping on the side of the road and (sometimes people putting him up for the night) eating tin foods, and staying at cheap motels when he could afford to. Doug lost his wife in the 90's and was advised by his doctor to jump on his bike and ride to curb his depression.

Doug Sunderland

The only injury Doug sustained was a broken rib, not from falling off his bike, but missing a step at the front of a Motel! This Year (Doug's 86th) he hopes to ride around Tasmania. Amazing!

SUNDAY MAY 1st CHARITY RIDE

The Charity ride was another successful outing on the Sunday of May 1st, morning tea (or Breakfast for some) was supplied with an abundance of food, coffee and tea at 9am at Belmore Park, before setting out to Crookwell and back to Marsden Weir for a b/b/q and plenty more food, around 50 riders had a wonderful sunny leisurely ride, with donations going to Can Assist Cancer assistance network. Thanks go to our assistant Secretary Michelle Lees for the great job of organizing the day!

VINTAGE JAPANESE MOTORCYCLE CLUB ANNUAL RALLY

Friday 4th, Saturday 5th, and Sunday 6th March the VJMC held their annual rally at Warilla NSW, and 186 Japanese bikes turned up for the Saturday ride from the Warilla Bowling Club carpark. From our Classic Riders Club members, David Stevenson, Graham Whitty, Laurie Stephenson, Leon Williamson and Tim Ryan all rode Japanese motorcycles, Ian Hearn from Victoria also attended. Saturday night was the presentation and Graham Whitty, David Stevenson and Ian Hearn all won trophies for their bikes. Sunday was a smaller ride to Kiama LightHouse with around 50 riders enjoying the cloudy but warm day. We must mention that the Robinson pie shop handled all the bikers on the Saturday ride so well, there was only a small wait to get a pie and coffee, with so many riders to look after this was an exceptional task.

Saturday Ride from Warilla Bowls

Sunday Ride Kiama Lighthouse

Trophy winners Ian Hearn, David Stevenson, Graham Whitty with the (loser)Editor.

Just some of the impressive bikes on display at Warilla NSW

KAWASAKI W800

The new Kawasaki W800 was released in February 2011 and was an immediate hit with buyers, taking Kawasaki straight to the top of the Naked Bike category in Australia. When the W650 was built (1999 – 2004) it was only mediocre in sales figures but now they are more popular with older riders, so Kawasaki was smart enough to bring them out again with a bigger motor and fuel injection and call them W800 this time. At this stage there is only the one colour as long as you want green! Maybe more colours down the track if the bike keeps selling well. It has a nice Retro look to it and it handles and goes very well.

INVITATION

Members of all Clubs receiving this magazine are cordially invited to participate in the Classic Riders Club of Goulburn events as advised.

THE CLUB'S MOTORCYCLE EXAMINERS

The Classic Riders Club machine examiners are available for members to inspect their motorcycles for the R.T.A. historic vehicle declaration. Please see list of examiners in the Club Committee page. Alternatively you may obtain a safety inspection report (pink slip). Proof of club membership and age of your motorcycle must also be provided. You may then apply for conditional registration.

JOURNEYS FOR HISTORIC PLATED BIKES

The R.T.A. historic vehicle policy specifies that historic vehicles registered under Conditional Registration may only be used for events organized by your own Club or by official invitation to another Club's event and documented in your Clubs minutes. (Events cover public use of motorcycle – rides, rallies, displays etc). Vehicles may be used on a road within a short distance of garaging for servicing and inspection. Longer journeys must be notified to the Movements Officer or Club Secretary for documenting in a 'Day Book' or the minutes. Such journeys or movements are restricted to those necessary for maintenance such as test running or going to and from a maintenance facility.
