Endorsing Marli and Moe as a Provider

WHY DO I NEED TO ENDORSE A PROVIDER?

With NDIA's new PACE system, endorsing your chosen providers is an important step to take in starting with, or continuing supports.

This now means that you will be required to call the NDIA (on 1800 800 110) to tell them who your Provider is. If you have a (Local Area Coordinator (LAC), you could also call them.

WHAT DO I NEED TO SAY?

We have an example below, of what you can say to NDIA or your LAC.

"Hello, my name is [Your Name], and I am a
NDIS [participant / plan nominee].
This is my NDIS number [Your NDIS number].

My NDIS plan is on the new PACE system. I am
calling to endorse my Support Coordination
provider, MM Disability (Marli and Moe's
registered company name). Their registration
number is 4050086757.

I want to endorse MM Disability from the date
my plan started, which is [NDIS plan start
date].

I will also need you to send them a Request
For Service, so that they will be able to
commence services right away.

Can you please confirm this has been
completed and that Marli and Moe will be able
to begin services for me straight away.
