Disclaimer and Rating Information

RATING

BUY – anticipated stock return is greater than 10%

SELL – anticipated stock return is less than -10%

HOLD – anticipated stock return is between -10% and +10%

SPECULATIVE – high risk with stock price likely to fluctuate by 50% or more.

Speculative stocks have a high risk/high return profile. While the investment may have strong capital appreciation, there is also a significant risk of capital loss. All stock investments involve some risk. We recommend that investors read and consider the risks section of our report(s) and whether these risks are suitable for their profile.
