Disclaimer. The information contained in this document is provided for informational purposes only and does not take into account your specific financial situation, particular needs and investment objectives. This information does not contain sufficient information to support an investment decision and it should not be relied upon by you in evaluating the merits of investing in any securities or products. Veritas recommends that you should consider your own circumstances and consult your own financial adviser before making any financial or investment decisions. This information is not an offer or recommendation to purchase or sell any particular security. This document has been prepared from sources which Veritas reasonably believes to be reliable and accurate as at the time of publication. However, none of Veritas, its directors, employees and associates (**Veritas Parties**) give or make any representation or warranty that any such information is accurate, complete or up-to-date, and Veritas disclaims all liability for loss or damage, direct or indirect (including by way of negligence), suffered by any person arising from any use of or reliance on such information. Veritas does not accept any responsibility to inform you of any matter that subsequently comes to its notice, which may affect any of the information or opinions contained in this document.

Disclosure of interest. Veritas Parties may receive or may have received fees, commissions and brokerage by acting as corporate adviser or broker for companies described in this document, and may hold directorships or other offices with such companies. Veritas Parties may hold a material or beneficial interest in securities or financial products described in this document, may benefit from an increase in the price or value of them, and may affect or participate in transactions which are inconsistent with any statement made in this document. Veritas Parties beneficially hold less than 1% of the equity securities which are the subject of this research. Veritas Parties have not received any benefits or assistance from the Company in preparing this research.
