

OGP Group is committed to continuous improvement.

Our Quality Management System has been developed to provide management, employees and interested parties with the leadership, guidance and instruction to ensure our service:

- Is consistent throughout all OGP Group's operations
- Is efficient, proactive and innovative;
- Provides the best possible outcome with the least amount of risk;
- Satisfies the agreed contractual and commercial requirements.

OGP Group is committed to complying with the requirements of the management system and continually monitoring, analysing, reviewing and improving the effectiveness of management system processes through:

- Structured induction and training programs;
- Self-assessment of management system compliance and effectiveness;
- The monitoring of progress and performance of processes against established objectives and indicators from reliable data sources;
- The systematic review of performance data and the identification and implementation of improvement opportunities.

OGP Group recognises our responsibility to provide a product or service that meets the customer requirements and using the data collected to ensure the quality standards are maintained by employees, customers, subcontractors, vendors and visitors. This commitment extends to ensuring that our operations provide a culture of excellence and learning.
