SCK News

As you read this newsletter I am flying to NZ, having been invited by our supplier Skope to attend their sponsored racing event, the Skope Classic in Christchurch. Of course there is a serious side to the trip as well with an extensive factory tour and product training day as well.

The next industry tradeshow is FOOD SERVICE INDUSTRY ASSOCIATION - NEWCASTLE event 7-8 February 2012 at the NEWCASTLE JOCKEY CLUB Darling Street, Broadmeadow NSW 2292. This is followed by Cafe Biz 2012 which is Australia's largest cafe exhibition! 18-19 March 2012 at the Australian Technology Park, Sydney. Find out more at <http://www.sydneycommercialkitchens.com.au/tradeshows.html>

SCK has now launched our own Youtube.com Video Channel. Click here to go there <http://www.youtube.com/user/SydneyComKitchens?feature=mhee>. We now have 5 videos uploaded but our plan is to include all of our major brands over the coming months.

Our goal is to make short informative brochure style videos providing our customers with an overview of that product's benefits.

Have you checked out the United Extended Warranties on our website. These are available on all commercial products sold by Sydney Commercial Kitchens at the time of purchase. We have chosen the 5 year Product Care plan, which we feel offers the best value though we are also able to sell their 1, 2 & 3 year plans as well.

United Warranties provide up to an additional 4 years Coverage for your Commercial Product (to a maximum 5 years total from the date of purchase). The warranty includes access to Australia's largest on-site repair and service network, no repair costs as parts, labour & freight are covered and resale value, with U-NITED Warranties being fully transferrable. United provide an online portal for registering, making claims and enquiries, tracking of repairs and job status. There is a
