Description

Bonvue Heated Food Display - H-SL830V

This BonVue heated display unit is a highly practical, quality-built product made and designed meticulously and with care to present your pastries, meats, pizzas, pastas, and breads.

The H-SL series works hand in hand with Bonvue 's chilled display units, so you can place both units within the front of your bakery, pizzeria, or takeaway store and decorate with fresh and tasty hot and cold meals and snacks.

The H-SL830V preserves your warm foods with consistent temperature levels and generous lighting. It is constructed with a stainless-steel exterior frame, three levels of wired shelving, fan-forced thermal airflow, and temp controls.

Brought in from Bonvue, one of the leading brands in multipurpose kitchen equipment and display units, this heated display is immense, robust, and a practical piece to add to any bakery or takeaway store.
