

# CiBO+ HIGH SPEED OVEN

## CiBO+ standard features and benefits

- CiBO+ utilises a unique tri-heat technology. Microwave, TurboAir, and ContactBase, combined deliver unrivaled quality, speed, and consistency.
- TurboAir distributes high-speed airflow in a cylindrical pattern over the food for fast even colouration.
- Adjustable temperature control, rapid heat up, and cooking on the toughened neo ceram ContactBase delivers perfect base colouration and crispiness - there are no soggy bottoms with CiBO+!
- A rear launched microwave with a stirrer brings speed to the cooking process.
- Achieve the same high quality results for every order.  
Simply press any one of the 40 menu items on the QPad touch screen and the oven will do the rest.
- Easily customise the position of menu items or recipe settings to suit your business with Touch & Change. Just touch what you want to change.
- 395mm x 665mm compact footprint with a generous sized oven.  
CiBO+ can fit anywhere yet still deliver a 12" pizza.
- No installation required - plug in and cook.
- Utilise non-traditional spaces with ventless technology.
- Antimicrobial protection reduces the spread of viruses on touch points
