### < QUALITY FEATURES >

The rectangular SHAPE is especially designed for the frying of entire fish. The BASKETS are fitted with thermo-setting handles and FOLD AWAY for easy storage and safety.

These fryers are very practical as they combine SPEED and EASE needed in fast food frying.

The LIGHT WEIGHT design allows you to maximize your fryer in any area of the kitchen, comes with handles and lid for easy transport.

### < COLD ZONE >

The Roller Grill fryers have been designed with a COLD ZONE, that enables the crumbs to fall to the bottom of the fryer. SAVING TIME, OIL and MONEY.

### < COMPLETE SAFETY >

These fryers are supplied with a SAFETY THERMOSTAT which resets eg. if the oil level is not sufficient the fryer stops automatically. SAVING you from burning your element.

### < EASY TO CLEAN >

The fryers have been designed in a COMPACT and easy to clean way. They come apart in 5 PIECES for easy tipping out of your oil and cleaning.
