

NOW! A Combination Microwave Oven that everyone can afford!

The **Panasonic** NE-C1275

When Speed and Versatility Matter

THE 3 WAY COMBINATION OVEN

The NE-C1275 Combination Oven features **Grill and Convection Oven and Microwave**, - which is versatile enough to cook anything from hearty steak and gourmet pies to delicious paninis - fast to Perfection.

Downloaded cooking programs can be easily transferred via SD Card—making it an ideal choice for use in cafes, hotels and restaurants with set menus, where consistent results and ease of operation are essential.

The pre-heat settings will maintain the oven temperature for up to 4 hours of non-use then will close down saving energy. It will also remind you to clean the filter! The accessories included are a wire rack shelf and ceramic insulating tray.
