TECHNICAL DATA

Model Number Robocut2 - R20T2

Dough Divider

This Robocut divider is fitted with an automatic blade raising function that makes cleaning of knives both quick and easy and eliminates the need for blocks.

The heavy duty construction of the Robocut divider ensures users of trouble free operation.

The divider has a maximum of 20kg capacity and operates in a weight range of 150 - 1000 grams and will divide into 20 equally weighted pieces.

To ensure operator safety a positive lock latch secures the lid.
