ADJUSTABLE HEIGHT GAS SALAMANDER

SALAMANDER GRILLS

A line of compact cooking appliances, designed for those who do not want to give up on high performance, even in small spaces.

All models are CE-approved. Featuring both gas and electric models, adjustable height settings and constructed in AISI 304 stainless steel.

A great addition to any kitchen, they can be placed on a bench surface or wall mounted at eye level enabling close control of the cooking process.

Technical / functional characteristics

- Made of AISI 304 stainless steel with a satinized finish
- Stainless steel mesh radiant elements, heated by means of 2 burners featuring pilot flame and safety thermocouple
- Piezoelectric ignition
- Ideal to be placed between the kitchen and the area where the waiters pick up the dishes
- Cooking grid adjustable on 8 positions by means of a rack system
- Stainless steel drip trays and chromium-plated grids, with heating resistant handle. The grids can slide on runners and are provided with a security lock to avoid accidental fall. They are extractable for easy cleaning

DIMENSIONS	
Width (mm)	750
