### Description

#### SC248G Double Door Black Magic Drink Cooler

A compact and reliable drink cooler made from robust components, high-quality materials and guaranteed to cool your stock to the right degree. The practical fridge is built and designed to operate within fast-moving bars, clubs and restaurants.

This bar cooler comes to us from Temperature Thermaster, who are one of the largest distributors of coolers, fridges and freezers, and one of the best brands in the business. Thermaster knows what goes into these units to attain the most optimal temperatures.

This solid bar cooler contains two levels of shelving, powerful compressors, interior lights, locks, tough industrial shelving and double-glazed glass.

It ' s a cooler that grants easy access with practical interior functions and tough durability within an optimally cool environment.

- Suitable for underbench
- Castors are optional
