

COMBINED FREEZER

ZCDTD SERIES

ZCDTD125/ZCDTD145/ZCDTD210

Dual-Zone Freezing

Independent top and bottom freezers, Quick and easy installation provide maximum storage flexibility.

High-Performance Cooling

70mm thick polyurethane foam to ensure stable temperature performance.

Triple-Glazed Doors with Heat Film

Superior insulation, prevents condensation for clear visibility.

Eco-Friendly Cooling

Eco friendly, natural refrigerant with static cooling and auto-defrost for efficiency.

DETAILS

The ZCDTD Series Supermarket Freezers maximize frozen storage in a compact design, ideal for supermarkets, convenience stores, and specialty retailers. They feature dual-zone operation, with a top freezer and a spacious bottom freezer with shelves/baskets for easy organization. The illuminated canopy provides space for branding or advertisements to boost sales. Built for durability

and energy efficiency, these freezers use natural refrigerant, electronic controls, and three-layer (LOW-E/Heated) glass doors for clear visibility and stable temperatures. Auto-defrost makes maintenance simple. Perfect for ice cream, frozen meats, and packaged goods, they deliver reliable performance with a modern presentation.
