

Ensuring Clean, Safe and Productive Work Environments.

CAPABILITY STATEMENT

SERVICES

MCD Group offers a comprehensive range of services, customised to meet the unique needs of our clients, including:

- Commercial cleaning
- Industrial cleaning
- Mine site cleaning
- Construction cleaning
- Distribution of cleaning, sanitary, crib room and ablution products
- Maintenance
- Sanitation

We are committed to using environmentally friendly, non-toxic, and sustainable products, creating healthier, safer, and greener spaces for our clients.

OUR VISION

Through continuous innovation, expanding our service offerings, and ongoing investment in staff training and technology, we aim to deliver high-quality, reliable services that ensure safe, clean work environments, positioning MCD Group as the Goldfields region's go-to provider.

OUR MISSION

To exceed customer expectations by consistently delivering exceptional results through innovation, efficiency, and long-term partnerships.

OUR VALUES

Quality Customer Service

Sustainability

Staff Development

Reliability

Community Focus

OUR TEAM

We foster an inclusive culture that offers employment pathway opportunities, ensuring the development, education, and empowerment of our team. This commitment aligns with our core value of diversity and supports our goal of building a workforce that reflects the communities we serve.

We're proud to have implemented a Reconciliation Action Plan (RAP), demonstrating our commitment to promoting diversity and inclusivity within the workplace. As part of this initiative, we have increased our Indigenous workforce by creating sustainable employment opportunities for Indigenous Australians.

Our workforce is fully trained, certified, and equipped to meet all industry standards, ensuring safety and compliance on every project. We conduct regular refresher courses, both online and inhouse, to keep our team up to date with the latest standards and is composed of highly trained professionals who:

- Are company inducted
- Are site inducted
- Hold National Police Checks
- Have completed Government Infection Control Training

MEET OUR MANAGEMENT TEAM

KATRINA RILEY

Managing Director & Shareholder

Katrina has guided the company's growth since 1999 and secured multi-year government contracts. Katrina has been instrumental in expanding the company's services and ensuring smooth day-to-day operations with the support of our Administration team.

JORDEN FORD

Director

Jorden plays an integral role in MCD Group, contributing her expertise in project management and advertising to develop and implement MCD Group's Reconciliation Action Plan, which has helped the company establish itself as a leader in promoting diversity and inclusion.

WES RILEY

Director & Shareholder

As a Building Supervisor, Wes oversees the maintenance division, ensuring that all client needs are met with the highest quality and safety standards across all our projects.

APII ATUUTIKA

Administrator / HR

Apii joined MCD Group in January 2022 and has been keeping our day-to-day operations running smoothly ever since. Communication is her strength - liaising with management, staff and clients to achieve positive outcomes.

WHY CHOOSE MCD GROUP

- Use of eco-friendly and non-toxic cleaning products
- Services tailored to client needs for maximum efficiency
- Strong focus on client relationship management
- Highly trained staff with relevant security clearances
- Commitment to providing clean, safe, and healthy work environments

Client Testimonials

"The MCD Group has taken over the cleaning of our mine sites. The team is professional, friendly, and they do an excellent job. Supervisors routinely check the work, ensuring that the high standard is maintained. I also find Katrina very easy to deal with, and they always accommodate our needs."

Mark Muller, Senior Geologist, Mincor Resources.

"Cannot praise MCD Group enough! The team has gone above and beyond for us, working to a high standard with exceptional attention to detail and customer service. Looking forward to continuing our partnership for years to come."

Renee Murray, Manager of Accommodation,
Curtin University Kalgoorlie.

PLANT AND EQUIPMENT

At MCD Group, safety and sustainability are paramount. Our Occupational Health & Safety (OH&S) Management System ensures that all cleaning operations are conducted with the highest safety standards, minimising risks to personnel and the environment. Our Environmental Policy emphasises the use of non-toxic, earth and human-friendly cleaning products to reduce our ecological footprint.

We utilise advanced cleaning technology to handle large-scale projects efficiently while maintaining superior cleaning standards. This ensures minimal operational downtime and maximum productivity.

Our state-of-the-art equipment includes:

- Polivac Apollo SteamVac
- Polivac Terminator
- Hydro Force Tile Cleaner
- Steam Machines
- Polivac Floor Polisher
- Orbital Scrubbing Machines
- Water Fed Pole Window Cleaners

Leading the way in cleanliness

We are proud to be Kalgoorlie's local SaniSmart and AGAR providers, offering innovative solutions that reduce third-party reliance and help save costs.

Why choose SaniSmart?

- Environmentally safe
- 26L disposable cartridges
- Wall mounted or free standing
- Cost effective
- Less waste
- Self managed
- Reduces third-party reliance

Why use AGAR?

- Trusted by professionals across the country
- High-performing cleaning products
- Improves hygiene
- Prevents cross-contamination
- Be eco-friendly with the GECO licenced range

We're not just cleaners - we're your go-to supplier too!

Get in touch with MCD Group to experience the benefits of professional, high-quality services tailored to your needs.

Let us help you create a safe, clean, and efficient work environment.
